The False Prince Jul 27 2020 If you love the danger and sword-fighting of MERLIN, you'll like this! In a discontent kingdom, civil war is brewing. To unify the divided people, Conner, a nobleman of the court, devises a cunning plan to find an impersonator of the king's long-lost son and install him as a puppet prince. Four orphans are recruited to compete for the role, including a defiant boy named Sage. Sage knows that Conner's motives are more than questionable, yet his life balances on a sword's point - he must be chosen to play the prince or he will certainly be killed. As Sage's journey continues, layer upon layer of treachery and deceit unfold, until finally a truth is revealed that proves more dangerous than all of the lies put together.

The Surfer and the Sage Oct 30 2020 Sometimes life's waves knock you down; other times, life might seem to sweep you along powerless. But the choice is always yours to swim back up to the light. Legendary world champion surfer Shaun Tomson and international bestselling poet-philosopher Noah benShea join forces to offer you insight on a path of purpose, hope, and faith. This timely guidebook alternates between Tomson's inspiring experiential essays and benShea's spiritual commentary that lift the soul, all accented with stunning full-color surfing photographs. After losing his son, Tomson walked the bitter road of loss and crossed from darkness into the light. The Surfer and the Sage addresses the eighteen relentless, breaking waves of life, from loss and aging to relationships and depression, and guides you to transformation. It is not a list of rules to follow that guarantee success, health, or wealth, but rather a collection of advice from two guides who have traveled far and wide and suffered deeply, but still look forward to tomorrow with faith and hope.

Understanding and Evaluating Research Feb 20 2020 Understanding and Evaluating Research: A Critical Guide aims to sensitize students to the necessity of learning how not to defer to the mysterious authority of the experts, but rather to learn how to be a critical consumer of others' research, and to gain confidence in their ability to be producers of research. Sue McGregor shows students how to be research literate, and how to find, critique and apply other people's scholarship. This textbook is grounded in a solid understanding of the prevailing research methodologies for creating new knowledge (philosophical underpinnings), which in turn dictate problem posing, theory selection, and research methods (tasks for sampling, collecting and analyzing data, and reporting results).

Writers Read Better: Narrative May 05 2021 When It Comes to Reading, Writers Have an Advantage We know that writing skills reinforce reading skills, but what's the best way to capitalize on

this relationship? By flipping the traditional “reading lesson first, writing lesson second” sequence, Colleen Cruz helps you make the most of the writing-to-reading connection with 50 carefully matched lesson pairs centered around narrative texts. Lessons can be implemented either as a complete curriculum or as a supplement to an existing program. Complete with suggestions on adapting the lessons to suit the needs of your classroom and individual students, *Writers Reader Better: Narrative* offers a solid foundation for giving your students the advantage of transferable literacy skills.
