The first part of I Dream a World creates a context for Still's operas and explores commonalities among them, including structural elements and musical characteristics. The second part traces the research, composition, and perform-ances of the operas as a way of documenting the history of the composer and his contributions to American opera. Although I Dream a World is not intentionally biographical, it is very pers-onal. It is more than the story of William Grant Still's love of operatic music, of the libretti that reflect his own life and philosophy, and of the world he dreamed through his work. It opens a window on Still the man as well as on Still the composer that offers important insights into the social milieu of this pioneering figure. When Andy Grant's eyes blinked open from a 10-day coma in February 2009 he was alone in a hospital bed in Birmingham. He had a broken sternum, a broken leg, a broken elbow and shrapnel lodged in both forearms. He had a severed femoral artery, nerve damage to his hands and feet as well as deep gaping wounds in both of his cheeks. He had been blown up during a routine foot patrol in Afghanistan. Within days of coming to his senses, a doctor told Andy that because of the blast he would no longer be able to have children. You'll Never Walk is his story. The tale of a Scouser who had to cope with losing his mum at the tender age of 12. The story of how a dream career in the Royal Marines descended into nightmare at the hands of the Taliban. The painstaking account of how he grew back six centimetres of shattered bone in his leg and learned to walk again.However, Andy wanted to run and push himself to the very edge of his limits and so he made a colossal decision. Against doctor's advice and pleas from his father, he chose to have his leg amputated. The operation was a success, although there was a minor twist. Where once Andy's treasured Liverpool FC tattoo had carried the message 'You'll Never Walk Alone', surgery to create a stump removed a key word from the slogan. The scars of his amputation had been decorated with an ominous new motto, which read 'You'll Never Walk...'. Andy would walk again – he would do much more than that. Armed with a running blade he learned to run and play football, scaled mountains in South America and Italy and claimed two gold medals at Prince Harry's Invictus Games. Through public speaking he brought hope to people right across the country. In 2016, he set his sights on a 10k below-the-knee-amputee world-record and completed the run in an unprecedented 37 minutes 17 seconds. And, most preciously of all, after every obstacle placed in his path, Andy became a father to a little girl. The Ku Klux Klan has received much attention for its violent activities, but comparatively little research has been done on its musical legacy. The printed music that still exists is spread throughout the nation in both public and private collections. This work presents, chronologically, the music associated with the Klan from 1867 to 2002, thus enabling readers to sense the arguments and attitudes of the Klan as they developed and changed over time. Because of the relative scarcity of Klan-related music, non-Klan music that mentions the word "Klan" is included. These obscure references help place the Klan in a larger social perspective and are very important in documenting anti-Klan musical reaction. In instances where a song merely mentions the Klan, usually in only one verse or in the chorus, then only that verse containing the Klan reference, plus appropriate context, is included. The catalogue also includes Klan-related music that does not have lyrics, such as marches, waltzes, two-steps, and several Klan-related pieces that were published in Europe. Sheet music was virtually nonexistent after the 1930s, so in order to capture a feeling of Klan-related music today, a limited discography of Klan-related recordings from 1920 to 2002 is also included. Immensely popular songs like "10,000 Reasons (Bless the Lord)" (Matt Redman), "Blessings" (Laura Story), "Let the Church Say Amen" (Andra Crouch), plus dozens more make this collection of more than 300 pages of sheet music a must-own item for music makers and worship leaders. Containing 46 contemporary Christian hits, beloved worship songs, and gospel standouts, this is an exciting assortment unmatched in any other songbook. The piano arrangements are modeled after familiar recorded versions of the songs, including complete lyrics and melodies, along with basic chord fingering grids for optional guitar accompaniment.
