Zora and Langston: A Story of Friendship and Betrayal Jan 21 2020 A Finalist for the 2019 Los Angeles Times Book Prize in Biography "A complete pleasure to read." —Lisa Page, Washington Post Novelist Zora Neale Hurston and poet Langston Hughes, two of America's greatest writers, first met in New York City in 1925. Drawn to each other, they helped launch a radical journal, Fire!! Later, meeting by accident in Alabama, they became close as they traveled together—Hurston interviewing African Americans for folk stories, Hughes getting his first taste of the deep South. By illuminating their lives, work, competitiveness, and ambitions, Yuval Taylor savvily details how their friendship and literary collaborations dead-ended in acrimonious accusations.

Love to Langston Apr 23 2020 This inspiring biography on Langston Hughes celebrates his life through poetry.

Lemonade Mouth Jul 27 2020 Poets. Geniuses. Revolutionaries. The members of the legendary band Lemonade Mouth have been called all of these things. But until now, nobody's known the inside story of how this powerhouse band came to be. How five outcasts in Opoquonsett High School's freshman class found each other, found the music, and went on to change both rock and roll and high school as we know it. Wen, Stella, Charlie, Olivia, and Mo take us back to that fateful detention where a dentist's jingle, a teacher's coughing fit, and a beat-up ukelele gave birth to Rhode Island's most influential band. Told in each of their five voices and compiled by Opoquonsett's "scene queen," freshman Naomi Fishmeier, this anthology is their definitive history.

The Pride of the Confederate Artillery Mar 15 2022 In *The Pride of the Confederate Artillery*, Nathaniel Cheairs Hughes, Jr., illustrates the significance of the unit and, for the first time, positions this pivotal group in its rightful place in history. The Fifth Company, Washington Artillery of New Orleans, fought with the Army of Tennessee from Shiloh to Chickamauga, from Perryville to Mobile, and from Atlanta to Jackson, Mississippi. Slocumb's Battery, as it was also known, won repeated praise from every commander of that army. Although it sustained high losses, the company was recognized for its bold, tenacious fighting and was considered the Army of Tennessee's finest close-combat battery. *The Pride of the Confederate Artillery* is the compelling story of four hundred men, their organization and service, their victories and defeats in over forty battles.

The Pride of the King Apr 16 2022 Wickedly inviting, the dark side of life has always seduced Lauren De Beauville. With copper-colored tresses and the smile of a pirate, this young adventuress throws caution to the wind and leaps into a quagmire of temptation that is 18th Century New Orleans. Will she survive her constant craving for danger? Dazzled by glamor, Lauren plays a deadly game joining a group of brutal con artists and smugglers who are cheating their way across the New World. There are splendid gowns, handsome men and nights filled with passion. What more could she want? At the very top is James St. Clare, the ruthless yet alluring captain of a pirate ship called *The Pride of the King*. Risking her life and her love, Lauren allows herself to be swept into his whirlwind of desire and treachery where she gambles everything. Once again, author Amanda Hughes splashes the pages of history with adventure and love stories about audacious women in the 18th Century. Her page turning tales will keep you on the edge of your seat as you take a wild ride through one of the most passionate and dazzling periods of history. "James lifted her out of the tub water running down his clothing. Her shift hugged her skin and he ran his eyes down her figure then up again stopping at her lips. The firelight danced over them and for a moment Lauren lost herself. Fear, loneliness, desire all clouded her judgment and she opened her lips to kiss him."

On the Origin of Tepees Jan 01 2021 Why do some ideas spread, while others die off? Does human culture have its very own "survival of the fittest"? And if so, does that explain why our species is so different from the rest of life on Earth? In *The Selfish Gene*, Richard Dawkins established not only that genes tricked us into helping them reproduce, but that ideas could also do the same thing. In *Darwin's Dangerous Idea*, Daniel Dennett suggested that the selfishness of our culture may explain how and why human beings evolved. Now, science writer and TV producer Jonnie Hughes has decided to test these wild notions in an eminently approachable way. Following Darwin's lead, he ventures out to observe, first hand, the natural history of ideas—the laws of variation, inheritance, and selection operating within

the cultural landscape. The choice of sandwiches in a mall, the shape of cowboy hats, the evolution of barn roofs, the wording of jokes, and, of course, the differences between the teepees of different tribes, all provide insights into the ways in which cultural evolution takes place. With a knack for finding the humor in the quirks of the American landscape, Hughes takes us on a Bill Bryson-like tour of the American West—from the Mall of America in Minneapolis to what he calls the M.A.U.L. of America, Custer's last stand, stopping at roadsides, discoursing on the evolution of myriad beloved cultural institutions. He's a wonderfully funny stranger in a strange land, but he always uses his observations to explain this grand idea—that we may not be as in charge of our cultural evolution as we think.

That Is My Dream! Aug 08 2021 "Dream Variation," one of Langston Hughes's most celebrated poems, about the dream of a world free of discrimination and racial prejudice, is now a picture book stunningly illustrated by Daniel Miyares, the acclaimed creator of *Float*. To fling my arms wide In some place of the sun, To whirl and to dance Till the white day is done. Langston Hughes's inspiring and timeless message of pride, joy, and the dream of a better life is brilliantly and beautifully interpreted in Daniel Miyares's gorgeous artwork. Follow one African-American boy through the course of his day as the harsh reality of segregation and racial prejudice comes into vivid focus. But the boy dreams of a different life—one full of freedom, hope, and wild possibility, where he can fling his arms wide in the face of the sun. Hughes's powerful vision, brought joyously to life by Daniel Miyares, is as relevant—and necessary—today as when it was first written.

Made in America May 25 2020 Ultimate fighting -- mixed martial arts competition between professional fighters which includes ju-jitsu, judo, boxing, kickboxing and wrestling techniques -- is among the fastest-growing sports in the world today, outselling and outperforming boxing and indeed any other ring or combat sport. Coming live to the UK in April 2007 UFC sold out the Manchester MEN Arena, followed by further sell-out performances in Belfast in June and London in September at the 20,000-plus capacity O2. Matt Hughes, nine times UFC World Welterweight Champion, with a record of 42 wins from 48 fights to date, is the most dynamic figure in this hottest and most happening of sports. Here he recounts his sensational rise to stardom, from growing up on the family farm in Illinois to breaking records in the octagon in front of 20,000 live fans and 4 million television viewers.

Pride of Family Aug 28 2020 "From the moment I read the words [my great-grandmother] Frances Anne Rollin wrote in Boston on January 1, 1868 "The year renews its birth today with all its hopes and sorrows" she became my beacon, the foremother who would finally share with me our collective past . . . "From the Preface Originally published to rave reviews, *Pride of Family* is the dazzling true story of an upper middle-class African American clan and four generations of extraordinary women. Carole Ione, rebel daughter from a long line of rebel daughters, traces her heritage from her mother, Leighla, a sad and lovely journalist, actress, and composer; to glamorous grandmother Be-Be, the popular restaurateur and former showgirl; to upright great-aunt Sistonie, one of Washington's first black female physicians; and, finally, to great-grandmother Frances Anne Rollin, the indomitable feminist-abolitionist. It is through her great-grandmother's brilliant diaries that Ione finds enlightenment—a deep connection to the women she cherishes and the proud, glorious history they share.

The Fatal Shore Jun 06 2021 NATIONAL BESTSELLER "This incredible true history of the colonization of Australia explores how the convict transportation system created the country we know today. "One of the greatest non-fiction books I've ever read ... Hughes brings us an entire world." "Los Angeles Times Digging deep into the dark history of England's infamous efforts to move 160,000 men and women thousands of miles to the other side of the world in the eighteenth and nineteenth centuries, Hughes has crafted a groundbreaking, definitive account of the settling of Australia. Tracing the European presence in Australia from early explorations through the rise and fall of the penal colonies, and featuring 16 pages of illustrations and 3 maps, *The Fatal Shore* brings to life the history of the country we thought we knew.

What is Environmental History? Feb 02 2021 What is environmental history? It is a kind of history that seeks understanding of human beings as they have lived, worked, and thought in relationship to the rest of nature through the changes brought by time. In this new edition of his seminal student textbook, J. Donald Hughes provides a masterful overview of the thinkers, topics, and perspectives that have come to constitute the exciting discipline that is environmental history. He does so on a global scale, drawing together disparate trends from a rich variety of countries into a unified whole, illuminating trends and key themes in the process. Those already familiar with the discipline will find themselves invited to

think about the subject in a new way. This new edition has been updated to reflect recent developments, trends, and new work in environmental history, as well as a brand new note on its possible future. Students and scholars new to environmental history will find the book both an indispensable guide and a rich source of inspiration for future work.

Pride and Panic Oct 18 2019 Through the looking-glass of Russian national cinema, *Pride and Panic* explores Russia's anxious adjustment towards the expansion of Western culture. Russian film is shown, in both its creation and perception, to expose the intriguing dynamics of societal psychological conditions. Using specific film examples, the book delves into the subterranean recesses of Russian national consciousness, exposing an internal ambivalence and complex cultural reaction towards the rise of the West. These fears, fantasies and tremulous anxieties are examined through the representation of the West in films by both established and lesser-known Russian directors. Using a highly original and unorthodox approach, the author parallels the shifting dynamics of attitudes and identity in Russia, caused by globalization, to stages of development in an individual human psyche. The book cohesively unveils the psychological turmoil experienced by Russia towards a change in global relations. A text of particular interest to scholars, students and readers involved with contemporary film and, in particular, Russian cinema and culture.

Displacement Mar 23 2020 Kiku is on vacation in San Francisco when suddenly she finds herself displaced to the 1940s Japanese-American internment camp that her late grandmother, Ernestina, was forcibly relocated to during World War II. These displacements keep occurring until Kiku finds herself "stuck" back in time. Living alongside her young grandmother and other Japanese-American citizens in internment camps, Kiku gets the education she never received in history class. She witnesses the lives of Japanese-Americans who were denied their civil liberties and suffered greatly, but managed to cultivate community and commit acts of resistance in order to survive. Kiku Hughes weaves a riveting, bittersweet tale that highlights the intergenerational impact and power of memory.

Seduction Dec 20 2019 In this riveting popular history, the creator of *You Must Remember This* probes the inner workings of Hollywood's glamorous golden age through the stories of some of the dozens of actresses pursued by Howard Hughes, to reveal how the millionaire mogul's obsessions with sex, power and publicity trapped, abused, or benefitted women who dreamt of screen stardom. In recent months, the media has reported on scores of entertainment figures who used their power and money in Hollywood to sexually harass and coerce some of the most talented women in cinema and television. But as Karina Longworth reminds us, long before the Harvey Weinstens there was Howard Hughes—the Texas millionaire, pilot, and filmmaker whose reputation as a cinematic provocateur was matched only by that as a prolific womanizer. His supposed conquests between his first divorce in the late 1920s and his marriage to actress Jean Peters in 1957 included many of Hollywood's most famous actresses, among them Billie Dove, Katharine Hepburn, Ava Gardner, and Lana Turner. From promoting bombshells like Jean Harlow and Jane Russell to his contentious battles with the censors, Hughes—perhaps more than any other filmmaker of his era—commoditized male desire as he objectified and sexualized women. Yet there were also numerous women pulled into Hughes's grasp who never made it to the screen, sometimes virtually imprisoned by an increasingly paranoid and disturbed Hughes, who retained multitudes of private investigators, security personnel, and informers to make certain these actresses would not escape his clutches. Vivid, perceptive, timely, and ridiculously entertaining, *The Seducer* is a landmark work that examines women, sex, and male power in Hollywood during its golden age—a legacy that endures nearly a century later.

Country Soul Feb 20 2020 In the sound of the 1960s and 1970s, nothing symbolized the rift between black and white America better than the seemingly divided genres of country and soul. Yet the music emerged from the same songwriters, musicians, and producers in the recording studios of Memphis and Nashville, Tennessee, and Muscle Shoals, Alabama--what Charles L. Hughes calls the "country-soul triangle." In legendary studios like Stax and FAME, integrated groups of musicians like Booker T. and the MGs and the Muscle Shoals Rhythm Section produced music that both challenged and reconfirmed racial divisions in the United States. Working with artists from Aretha Franklin to Willie Nelson, these musicians became crucial contributors to the era's popular music and internationally recognized symbols of American racial politics in the turbulent years of civil rights protests, Black Power, and white backlash. Hughes offers a provocative reinterpretation of this key moment in American popular music and challenges the conventional wisdom about the racial politics of southern studios and the music that emerged from them. Drawing on interviews and rarely used archives, Hughes brings to life the daily world of session musicians, producers, and songwriters at the heart of the country and soul scenes. In doing so, he shows how the country-soul triangle gave birth to new ways of thinking about music, race, labor, and the South in this pivotal period.

Rome Mar 03 2021 From Robert Hughes, one of the greatest art and cultural critics of our time, comes a sprawling, comprehensive, and deeply personal history of Rome—as a city, as an empire, and as an origin of Western art and civilization. Starting on a personal note, Hughes takes us to the Rome he first encountered as a hungry twenty-one-year-old fresh from Australia in 1959. From there, he goes back more than two thousand years to the city's foundation, one mired in mythologies and superstitions that would inform Rome's development for centuries. He explores in rich detail the formation of empire, the rise of early Christianity, the Crusades, the Renaissance, and takes us up to the present, through the rise and fall of Mussolini's fascism. Equal parts idolizing, blasphemous, outraged, and awestruck, Rome is a portrait of the Eternal City as only Robert Hughes could paint it.

Obviously Nov 30 2020 "A refreshingly funny and blisteringly unsentimental coming-of-age memoir." -John Green, #1 New York Times bestselling author of Turtles All The Way Down and The Fault in Our Stars In Akilah Hughes's world, family--and life--are often complicated, but always funny. Through intimate and hilarious essays, Akilah takes readers along on her journey from the small Kentucky town where she was born--and eventually became a spelling bee champ and 15-year-old high school graduate--to New York City, where she took careful steps to fulfill her dream of becoming a writer and performer. Like Tiffany Haddish's The Last Black Unicorn or Mindy Kaling's Is Everyone Hanging Out Without Me? for the YA set, Akilah pens revealing and laugh-out-loud funny essays about her life, covering everything from her racist fifth grade teacher, her struggles with weight and acne, her failed attempts at joining the cheerleading team, how to literally get to New York (hint: for a girl on a budget, it may include multiple bus transfers) and exactly how to "make it" once you finally get there.
