**The Girl From the Other Side: Síúil, a Rúin Vol. 1** Dec 20 2019 In a land far away, there were two kingdoms: the Outside, where twisted beasts roamed that could curse with a touch, and the Inside, where humans lived in safety and peace. The girl and the beast should never have met, but when they do, a quiet fairytale begins. This is a story of two people--one human, one inhuman--who linger in the hazy twilight that separates night from day.

**Sex is a Funny Word** Sep 21 2022 2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century.

**The Long Revolution** Oct 10 2021 Raymond Williams, whose other works include Keywords, The Country and the City, Culture and Society, and Modern Tragedy, was one of the world's foremost cultural critics. Almost uniquely, his work bridged the divides between aesthetic and socio-economic inquiry, between Marxist thought and mainstream liberal thought, and between the modern and post-modern world. When The Long Revolution first appeared in 1961, much of the acclaim it received was based on its prescriptions for Britain in the '60s, which form a relatively brief final section of the whole. The body of the book has since come to be recognized as one of the foundation documents in the cultural analysis of English-speaking culture. The "long revolution" of the title is a cultural revolution, which Williams sees as having unfolded alongside the democratic revolution and the industrial revolution. With this book, Williams led the way in recognizing the importance of the growth of the popular press, the growth of standard English, and the growth the reading public in English-speaking culture and in Western culture as a whole. In addition, Williams's discussion of how culture is to be defined and analyzed has been of considerable importance in the development of cultural studies as an independent discipline. Originally published by Chatto & Windus, The Long Revolution is now available only in this Broadview Encore Edition.

**The Islamic Invasion** Apr 23 2020 The Islamic Turks were poised to overrun Europe at The Battle of Vienna on September 11/12 of 1683, but were defeated. The Islamic Invasion As Mosques appear across the country people are asking-"What do I need to Know about Islam?" Islam-once an obscure Middle Eastern religion-has rapidly grown into the second largest religion in the world. There are now more Muslims than Episcopalians in the United States! What attraction does Islam hold for its followers?

What part does it play in shaping the outlook and attitudes of nearly one billion people? Noted author Dr. Robert A. Morey, internationally recognized authority on the origins of the teachings and rituals of Islam- - explores the pre-Islamic history of Allah, and the doctrines and customs of Islam - reveals Islam's teaching about current issues such as religious freedom and the role of women The Islamic Invasion will give you the insight you need to understand Islam and the challenge it poses today. Dr. Morey warned the United States and Europe about Islam during the early 1980's long before 9/11. Most books on Islam since 9/11 have used his analysis of the Qur'an or Hadith. Special thanks to Professor Colin Akridge-who is a Vietnam Veteran and black scholar in the field of comparative religions-for his valuable and insightful contributions and working with him for researching and writing the section entitled The Black Muslim Movement in America. Dr. Robert A. Morey Ph.D., D. Min., D.D. Faith Defenders <http://www.faithdefenders.com>

**National Geographic Traveler: Madrid, 2nd Edition** Nov 18 2019 Takes you to the 'musts' of Madrid such as: the refurbished Museo del Prado with its masterpieces of European art; Las Ventas, the mecca of bullfighting; and, the Thyssen-Bornemisza and Reina Sofia collections, representing European and modern Spanish movements, respectively.

**Sentiment Analysis and Opinion Mining** Feb 14 2022 Sentiment analysis and opinion mining is the field of study that analyzes people's opinions, sentiments, evaluations, attitudes, and emotions from written language. It is one of the most active research areas in natural language processing and is also widely studied in data mining, Web mining, and text mining. In fact, this research has spread outside of computer science to the management sciences and social sciences due to its importance to business and society as a whole. The growing importance of sentiment analysis coincides with the growth of social media such as reviews, forum discussions, blogs, micro-blogs, Twitter, and social networks. For the first time in human history, we now have a huge volume of opinionated data recorded in digital form for analysis. Sentiment analysis systems are being applied in almost every business and social domain because opinions are central to almost all human activities and are key influencers of our behaviors. Our beliefs and perceptions of reality, and the choices we make, are largely conditioned on how others see and evaluate the world. For this reason, when we need to make a decision we often seek out the opinions of others. This is true not only for individuals but also for organizations. This book is a comprehensive introductory and survey text. It covers all important topics and the latest developments in the field with over 400 references. It is suitable for students, researchers and practitioners who are interested in social media analysis in general and sentiment analysis in particular. Lecturers can readily use it in class for courses on natural language processing, social media analysis, text mining, and data mining. Lecture slides are also available online. Table of Contents: Preface / Sentiment Analysis: A Fascinating Problem / The Problem of Sentiment Analysis / Document Sentiment Classification / Sentence Subjectivity and Sentiment Classification / Aspect-Based Sentiment Analysis / Sentiment Lexicon Generation / Opinion Summarization / Analysis of Comparative Opinions / Opinion Search and Retrieval / Opinion Spam Detection / Quality of Reviews / Concluding Remarks / Bibliography / Author Biography

**General Linguistics** Jun 25 2020 The fourth edition of General Linguistics provides a comprehensive and accessible introduction to linguistics. The book considers: - semantics and pragmatics - dialect and style - phonetics and phonology - morphology and syntax, with reference both to traditional and current theories - comparative-historical linguistics and linguistic typology - linguistics' relation to other disciplines - the practical application of linguistics - the 2,500 years of linguistic thought that lies behind what we do and think today

**The Text Mining Handbook** Mar 23 2020 Publisher description

**Fantasizing the Feminine in Indonesia** Apr 04 2021 Presenting dialogues between prominent scholars of and from Indonesia and Indonesian women working in professional, activist, religious, and literary domains, the book dissolves essentialist notions of "women" and "Indonesia" that have arisen out of the tensions of empire.

**The Little Book of Self-Care for Aquarius** Jun 18 2022 Everything you need to know about self-care—especially for Aquarius! Take Time for You, Aquarius! It's me time—powered by the zodiac! Welcome star-powered strength and cosmic relief into your life with The Little Book of Self-Care for Aquarius. While Aquarius may typically lead with the mind and not the heart, this book truly puts value in taking care of your whole self. Let the stars be your guide as you learn just how important astrology is to your self-care routine. Discover more about your sign and your ruling element, air, and then find the perfect set of self-care ideas and activities for you. From sipping cardamom coffee to listening to Mozart, you will find more than one hundred ways to heal your mind, body, and active spirit. It's stellar self-care especially for you, Aquarius!

**Richard Lindner** Feb 02 2021

**Book Of Forbidden Feelings: The - Hard Cover** Jul 27 2020 I wanted to say, "I would love to know your obsessions, Is it landed house, gadgets, power, domestic life, succulent plants, achievements, money, work, more likes and followers, health, validations, sex, organic food, pets, perfect selfies, children, sports, Religion & Spirituality, relationship, minimalism, perfection, muscles, urban toys, shoes, traveling, or fame?" but nobody is prepared for that kind of question on a first date. So I said, "You look great."

**Saving Languages** May 17 2022 Language endangerment has been the focus of much attention and as a result, a wide range of people are working to revitalize and maintain local languages. This book serves as a general reference guide to language revitalization, written not only for linguists and anthropologists, but also for language activists and community members who believe they should ensure the future use of their languages, despite their predicted loss. Drawing extensively on case studies, it sets out the necessary background and highlights central issues such as literacy, policy decisions, and allocation of resources. Its primary goal is to provide the essential tools for a successful language revitalization program, such as setting and achieving realistic goals, and anticipating and resolving common obstacles. Clearly written and informative, Saving Languages will be an invaluable resource for all those interested in the fate of small language communities around the globe.

**The New Male Sexuality** Nov 23 2022 The New Male Sexuality addresses the most urgent questions of men today--and of the women who love them. Bernie Zilbergeld reports findings from his twenty years as a psychologist specializing in human sexuality, as well as those other experts in the field, and shares his own and his clients' experiences. the result is the most comprehensive guide ever to enhancing desire and arousal, focusing on pleasure rather than performance, and keeping sex exciting and fulfilling. Clear, comprehensive, witty, and refreshingly realistic, The New Male Sexuality is destined to be a classic of the nineties and beyond.

**Information Theory, Inference and Learning Algorithms** Oct 30 2020 Information theory and inference, taught together in this exciting textbook, lie at the heart of many important areas of modern technology - communication, signal processing, data mining, machine learning, pattern recognition, computational neuroscience, bioinformatics and cryptography. The book introduces theory in tandem with applications. Information theory is taught alongside practical communication systems such as arithmetic coding for data compression and sparse-graph codes for error-correction. Inference techniques, including message-passing algorithms, Monte Carlo methods and variational approximations, are developed alongside applications to clustering, convolutional codes, independent component analysis, and neural networks. Uniquely, the book covers state-of-the-art error-correcting codes, including low-density-parity-check codes, turbo codes, and digital fountain codes - the twenty-first-century standards for satellite communications, disk drives, and data broadcast. Richly illustrated, filled with worked examples and over 400 exercises, some with detailed solutions, the book is ideal for self-learning, and for undergraduate or graduate courses. It also provides an unparalleled entry point for professionals in areas as diverse as computational biology, financial engineering and machine learning.

**Colloquial Jakartan Indonesian** Oct 22 2022 This book aims to describe aspects of the Indonesian language as spoken by educated Jakartans in everyday interactions. This style of language is in many ways significantly different from the formal language of government and education, to the extent that it deserves separate consideration. While formal Indonesian has been the subject of a considerable amount of description very little attention has been paid to informal styles of the language. The variety described here, Colloquial Jakartan Indonesian, is the prestige variety of colloquial Indonesian and is becoming the standard informal style. The description and texts in following chapters are drawn from recordings of natural speech of educated people living in Jakarta . While the book aims to inform those with a background in linguistics the needs of teachers and learners with little or no knowledge of linguistics is always borne in mind. The work thus does not consider theoretical linguistic issues nor use technical terms which would not be readily understood by most readers.

**The Last She** Jul 19 2022 Ara . . . I made a mistake, we all did . . . go back to the beginning . . . it's not too late. As the only female to survive the devastating virus, Ara hasn't seen another human in months—not since her father disappeared. The plague has swept away humanity, and Ara's world is desolate, haunted by the ghosts of her former life. Her mother. Her sister. Kaden and his crew live by a code: stay alert, stay alive. When they catch Ara stealing from them, they are furious—and confused. She is the first girl they have seen in three years. And while Kaden knows taking her captive is wrong, he tells himself he's doing it to protect her. But with Ara determined to follow through on her father's mission—Go back to the beginning. End the plague—Kaden becomes mesmerized by Ara's will and beauty. He knows he will do anything to help her, even if it tears their worlds apart.

**The Illustrated A Brief History of Time** Sep 09 2021 In the years since its publication in 1988, Stephen Hawking's A Brief History Of Time has established itself as a landmark volume in scientific writing. It has become an international publishing phenomenon, translated into forty languages and selling over nine million copies. The book was on the cutting edge of what was then known about the nature of the universe, but since that time there have been extraordinary advances in the technology of macrocosmic worlds. These observations have confirmed many of Professor Hawkin's theoretical predictions in the first edition of his book, including the recent discoveries of the Cosmic Background Explorer satellite (COBE), which probed back in time to within 300,000 years of the fabric of space-time that he had projected. Eager to bring to his original text the new knowledge revealed by these many observations, as well as his recent research, for this expanded edition Professor Hawking has prepared a new introduction to the book, written an entirely new chapter on the fascinating subject of wormholes and time travel, and updated the original chapters. In addition, to heighten understanding of complex concepts that readers may have found difficult to grasp despite the clarity and wit of Professor Hawking's writing, this edition is enhanced throughout with more than 240 full-color illustrations, including satellite images, photographs made possible by spectacular technological advance such as the Hubble Space Telescope, and computer generated images of three and four-dimensional realities. Detailed captions clarify these illustrations, enable readers to experience the vastness of intergalactic space, the nature of black holes, and the microcosmic world of particle physics in which matters and antimatter collide. A classic work that now brings to the reader the latest understanding of cosmology, A Brief History Of Time is the story of the ongoing search for the tantalizing secrets at the heart of time and space. *Global Peace Index 2019* Oct 18 2019

**100 Most Infamous Criminals** Jul 07 2021 An indispensable introduction to the darker side of life, revealing the often strange and grisly stories behind the world's most infamous murderers, swindlers and crooks. 100 Most Infamous Criminals is an astounding compendium of crimes and their perpetrators. Here you will find the stories of some of history's most notorious criminals, the lives they led, the crimes they committed and the destruction and sorrow they left in their wake. This collection includes such notorious villains as: • Jack the Ripper, the man who terrorized Victorian London. • Ted Bundy, the serial killer beloved by his neighbours. • Al Capone, the king of gangsters. • Harold Shipman, Britain's angel of death.

**The Secret of a Heart Note** Aug 20 2022 From the New York Times bestselling author of The Downstairs Girl, Stacey Lee, an evocative novel about a teen aroma expert who uses her extrasensitive sense of smell to help others fall in love—while protecting her own heart at all costs. Perfect for fans of When Dimple Met Rishi and I'll Be the One and now in paperback. Sometimes love is right under your nose. As one of only two aromateurs left on the planet, sixteen-year-old Mimosa knows what her future holds: a lifetime of wedding, mixing love elixirs, and matchmaking—all while remaining incurably alone. For Mim, the rules are clear: falling in love would render her nose useless, taking away her one great talent. Still, Mimosa doesn't want to spend her life elbow-deep in soil and begonias. She dreams of a normal high school experience with friends, sports practices, debate club, and even a boyfriend. But when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman's son, the school soccer star, to help fix the situation, Mim quickly begins to realize that falling in love isn't always a choice you can make. At once hopeful, funny, and romantic, Stacey Lee's The Secret of a Heart Note is a richly evocative coming-of-age story that gives a fresh perspective on falling in love and finding one's place in the world.

**Combat Kit Against Bible Thumpers** Aug 28 2020 Combat Kit Against Bible Thumpers By Ahmed Deedat

**White Christmas** Apr 16 2022 When Irving Berlin first conceived the song "White Christmas," he envisioned it as a "throwaway" -- a satirical novelty number for a vaudeville-style stage revue. By the time Bing Crosby introduced the tune in the winter of 1942, it had evolved into something far grander: the stately yuletide ballad that would become the world's all-time top-selling and most widely recorded song. In this vividly written narrative, Jody Rosen provides both the fascinating story behind the making of America's favorite Christmas carol and a cultural history of the nation that embraced it. Berlin, the Russian-Jewish immigrant who became his adopted country's greatest pop troubadour, had written his magnum opus -- what one commentator has called a "holiday Moby-Dick" -- a timeless song that resonates with some of the deepest themes in American culture: yearning for a mythic New England past, belief in the magic of the "merry and bright" Christmas season, longing for the havens of home and hearth. Today, the song endures not just as an icon of the national Christmas celebration but as the artistic and commercial peak of the golden age of popular song, a symbol of the values and strivings of the World War II generation, and of the saga of Jewish-American assimilation. With insight and wit, Rosen probes the song's musical roots, uncovering its surprising connections to the tradition of blackface minstrelsy and exploring its unique place in popular culture through six decades of recordings by everyone from Bing Crosby to Elvis Presley to \*NSYNC. White Christmas chronicles the song's legacy from jaunty ragtime-era Tin Pan Alley to the elegant world of midcentury Broadway and Hollywood, from the hardscrabble streets where Irving Berlin was reared to the battlefields of World War II where American GIs made "White Christmas" their wartime anthem, and from the Victorian American past that the song evokes to the twenty-first-century present where Berlin's masterpiece lives on as a kind of secular hymn.

**Atlas of the World's Languages in Danger** Jan 21 2020 Languages are not only tools of communication, they also reflect a view of the world. Languages are vehicles of value systems and cultural expressions and are an essential component of the living heritage of humanity. Yet, many of them are in danger of disappearing. UNESCO's Atlas of the World's Languages in Danger tries to raise awareness on language endangerment. This third edition has been completely revised and expanded to include new series of maps and new points of view.

**The Mommy Docs' Ultimate Guide to Pregnancy and Birth** Jan 25 2023 From three top ob/gyn's--the personalities of the television series "Deliver Me"--comes this comprehensive pregnancy resource that's medically reliable and mom-to-mom relatable.

**The Sex Book** Jan 13 2022 "The Sex Book" explores the subject of sex, health and sexuality in a straightforward, uninhibited, accessible and adventurous way. Designed as a guide, the book explains everything you want to know about conventional and unconventional sexual behaviour in gender neutral, straightforward language with bold visuals. A wealth of information is balanced with practical advice and personal experience. The book presumes little and the tone is witty and direct. It avoids the usual stigma attached to sex manuals by having a detached editorial approach that packs gritty sex between beautiful contemporary graphics. Ranging from G-spots to sex diets, "The Sex Book" speaks plainly and openly about a subject at the emotional and spiritual hub of everyone's life. At long last - a contemporary guide to sex; for absolutely everyone, whatever their orientation.

**Cat Person** Aug 08 2021 She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex – the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. This gift edition contains photographs by celebrated photographer Elinor Carucci, who was commissioned by the New Yorker to capture the image that accompanied Kristen Roupenian's Cat Person when it appeared in the magazine. You Know You Want This, Kristen Roupenian's debut collection, will be

published in February 2019.

**The Blumhouse Book of Nightmares** Sep 28 2020 Original and terrifying fiction presented by Jason Blum, the award-winning producer behind the groundbreaking Paranormal Activity, The Purge, Insidious, and Sinister franchises. Jason Blum invited sixteen cutting-edge collaborators, filmmakers, and writers to envision a city of their choosing, and let their demons run wild. The Blumhouse Book of Nightmares: The Haunted City brings together all-new, boundary-breaking stories from such artists as Ethan Hawke (Boyhood), Eli Roth (Hostel), Scott Derrickson (Sinister), C. Robert Cargill (Sinister), James DeMonaco (The Purge), and many others. "Geist" by Les Bohem... "Procedure" by James DeMonaco... "Hellhole" by Christopher Denham... "A Clean White Room" by Scott Derrickson and C. Robert Cargill... "Novel Fifteen" by Steve Faber... "Eyes" by George Gallo... "1987" by Ethan Hawke... "Donations" by William Joselyn... "The Old Jail" by Sarah Langan... "The Darkish Man" by Nissar Modi... "Meat Maker" by Mark Nevelndine... "Dreamland" by Michael Olson... "Valdivia" by Eli Roth... "Golden Hour" by Jeremy Slater... "The Leap" by Dana Stevens... "The Words" by Scott Stewart... "Gentholme" by Simon Kurt Unsworth  
**Touch** Nov 30 2020 An essay on the importance of touch to children's growth and development and to the physical and mental well-being of people of all ages. The first sensory input in life comes from the sense of touch while a baby is still in the womb, and touch continues to be the primary means of learning about the world throughout infancy, well into childhood. Touch is critical for children's growth, development, and health, as well as for adults' physical and mental well-being. Yet American society, claims Tiffany Field, is dangerously touch-deprived. Field, a leading authority on touch and touch therapy, begins this accessible book with an overview of the sociology and anthropology of touching and the basic psychophysical properties of touch. She then reports recent research results on the value of touch therapies, such as massage therapy, for various conditions, including asthma, cancer, autism, and eating disorders. She emphasizes the need for a change in societal attitudes toward touching, particularly among those who work with children.

**Astrology** Jun 06 2021 In Astrology: Understanding the Birth Chart, Kevin Burk takes you step-by-step from the core basics to the finer complexities of chart interpretation while avoiding sidetracks into obscure techniques and fuzzy thinking. As a teacher, Burk also understands that a real grasp of the subject entails more than just learning the techniques-it also involves grasping the underlying principles that make those techniques valid. Astrology: Understanding the Birth Chart is designed to be useful to all students of astrology, from beginners to more advanced practitioners, and will help you develop an integrated, synthesized approach to understanding the birth chart. You will discover how classical astrology can enrich your understanding of the planets, signs, and houses. You will explore the meaning of the Lunar Nodes, eclipses, the angles, retrograde planets, and aspect patterns. You will also learn how to identify key themes in the chart, and how to relate the different aspects and elements together to gain a holistic understanding of the birth chart-and of the individual. An up-to-date listing of astrological organizations and software programs is included that offers a wealth of resources for any astrologer. In short, this is a well-designed course that provides a solid foundation for anyone who is interested in practicing astrology quickly and with confidence. While many books at this level simply give you a set of techniques and ready-made interpretations, this book will give you a deeper grasp of an art and science that has its expression in the world around us, but its roots in the invisible world of primal origins.

**The Life Story Interview** May 25 2020 First-person narratives are a fundamental tool of the qualitative researcher. This volume provides specific suggestions and guidelines for preparing and executing a life story interview. Robert Atkinson places the life story interview into a wider research context before elaborating on planning and then conducting the interview. Finally, the book deals with the issues of transcribing and interpreting the interview. The author provides a sample life story interview in the appendix.

**But I Love Him** Feb 20 2020 One in three girls will be in a controlling, abusive dating relationship before she graduates from high school – from verbal or emotional abuse to sexual abuse or physical battering. Is your daughter in danger? Dr. Jill Murray speaks on the topic of dating violence at high schools around the country, reaching more than 10,000 students, teachers, and counsellors each year. In every school she visits, she is approached by teenage girls in miserable relationships who, when confronted with the option of breaking up with the boy, exclaim, "But I love him!" Many young women – and their parents, aren't even aware of the indications of a potentially abusive relationship. What's most alarming is that these warning signs are also some of the behaviours that girls find most flattering: A boy pines and calls a girl often – but as a form of control, not affection. He wants to spend all his time with her, but eventually won't allow her to spend time with her friends. He says "I love you" very early in the relationship. These behaviours can escalate into blaming, isolating, manipulating, threatening, humiliation, and sexual and physical abuse. In *But I Love Him*, Dr. Murray identifies these controlling, abusive patterns of behaviour and helps you get your daughter out of the relationship without alienating her. You will learn what draws her to this type of relationship, why she has a hard time talking to you about it, the special barriers teens face when breaking off a relationship, and what's going on in the mind of a teen abuser. Dr. Murray will help you show your teen what a respectful relationship looks like, and teach her the importance of respecting herself. edition.

**Roget's International Thesaurus, 6th Edition** Jan 01 2021 The revolutionary achievement of Dr. Peter Mark Roget's first edition in 1852 was the development of a brand-new principle: the arrangement of words and phrases according to their meanings. Dr. Roget's system brings together in one place all the terms associated with a single thought or concept; it allows a wide-ranging survey of language within a book of relatively modest size, without the space-consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A-to-Z entries. This brilliant organization makes Roget's International Thesaurus® both the most efficient word finder and a cutting-edge aid in stimulating thought, organizing ideas, and writing and speaking more clearly and effectively. This revised and updated sixth edition features thousands of new words and phrases, including the newest slang words and expressions that color and inform everyday language. It retains all of the hallmarks that have made Roget's International Thesaurus® an enduring classic: more than 330,000 words and phrases organized into 1,075 categories. A pinpoint reference system that directs the user quickly from a comprehensive index to the numbered category of the right word. Thousands of cross-references throughout lead to other helpful categories. Hundreds of supplemental word lists that supply the names of things which have no synonyms (measurements, wines, weapons, animals, state mottoes, and more) as well as hundreds of quotations that amplify the meanings of selected words. Generations of students, writers, editors, and speakers have made Roget's the most popular word reference book next to the dictionary. Continuing a legacy that dates back more than 150 years, Roget's International Thesaurus® is an indispensable work for everyone who wants to use the English language with clarity and precision.

**Force Majeure** Dec 24 2022 Essays, short stories, and poems presented at the International Literary Biennale in 2007.

**Dr. Seth's Love Prescription** Dec 12 2021 The landscape of love is littered with people injured by love time and time again. And so they hobble from one bad relationship to another. But it doesn't have to be that way. Noted psychologist Seth Meyers, PsyD--aka Dr. Seth--has developed a foolproof four-step cure for Relationship Repetition Syndrome (RRS). With this book, you can avoid making the same mistakes in your love life over and over again. With behavioral exercises and questionnaires designed to reveal the RRS behaviors that sabotage love, you'll learn why your relationships have failed, and how you can love more wisely--and happily--the next time. Armed with Dr. Seth's unique love action plan, you can put the pain of dead-end relationships behind you and find true love that lasts--forever cured of RRS!

**Addicted to Stress** Nov 11 2021 A woman's down-to-earth guide for releasing stress and reclaiming her free-spirit Stress management expert and radio personality Debbie Mandel presents her highly original program for stress reduction. She explains that women who are constantly stressed out have forgotten the dreams of the free-spirited girl living inside them before they became somebody's wife, mother, or workplace colleague. This book, the inspiring and humorous story of successful recovery from stress addiction, outlines her seven steps that have proven to help women overcome daily stressors and reclaim a life of joy and spontaneity. Explores the habit forming pressure principle of stress addiction and how to cure it Provides step-by-step program for self-empowerment, self-care, healthy narcissism, and renewing humor in a woman's relationships Explains the powerful, researched based relationship between food, exercise, and mood Contains indispensable strategies for accepting constructive conflicts with a spouse, partner, friend or colleague to get what she wants Teaches specific techniques for reducing and eliminating stress reduction Addicted to Stress shows how as the addiction to stress is cured, women find it possible to build up an immunity to outside pressure and become their true core self.

**The Astrology Book** Mar 03 2021 The scientific, historic, and popular basis behind the ancient art of astrology is explored in this comprehensive reference. The guide also includes a table of astrological glyphs and abbreviations, a section on casting a chart, and a chapter that explains and interprets every planet in every house and sign.

**Identifying with Freedom** Mar 15 2022 Indonesia is one of the world's newest democracies. Yet little is known to outsiders about this country, the home of the world's largest Muslim community. This book provides appraisals of the leading issues facing Indonesians as they seek to build a democratic nation that is tolerant of multicultural diversity and free from imperial domination.

**Language** May 05 2021 Professor Sapir analyzes, for student and common reader, the elements of language. Among these are the units of language, grammatical concepts and their origins, how languages differ and resemble each other, and the history of the growth of representative languages--Cover.
