Manga Jul 01 2021 A wide-ranging introductory guide for readers making their first steps into the world of manga, this book helps readers explore the full range of Japanese comic styles, forms and traditions from its earliest texts to the internationally popular comics of the 21st century. In an accessible and easy-to-navigate format, the book covers:

- The history of Japanese comics, from influences*

in early visual culture to the global 'Manga Boom' of the 1990s to the present · Case studies of texts reflecting the range of themes, genres, forms and creators, including Osamu Tezuka, Machiko Hasegawa and Katsuhiro Otomo · Key themes and contexts – from gender and sexuality, to history and censorship · Critical approaches to manga, including definitions, biography and reception and global publishing contexts The book includes a bibliography of essential critical writing on manga, discussion questions for classroom use and a glossary of key critical terms.

The Manga Biography of Kenji Miyazawa, Author of "Night of the Milky Way Railway" Jul 13 2022 Kenji Miyazawa (1896 1933) is one of Japan's most beloved writers and poets. He has recently become known as the unofficial poet laureate of the tsunami-stricken districts of northern Japan. Some of you may know him from his fantasy novel "Night of the Milky Way Railway" (or the anime version, "Night on the Galactic Railroad"). Others may know him from his short stories, such as "The Restaurant of Many Orders." Still others will know him from his poetry, such as "Someone who is unfazed by the rain." Some have enjoyed the anime "Spring and Chaos," which beautifully depicts the world of creativity and imagination in which he lived as a mature artist. Few in the English-speaking world, however, know the full story of his life in any detail. This is precisely the story told in "The Manga Biography of Kenji Miyazawa, Author of Night of the Milky Way Railway." From being a somewhat odd child, to his early empathy for others, to his passion for rock collecting, mountain climbing, and the beauty of nature, to his study of soil sciences and fertilizers, his awakening to fantasy literature, poetry, and music, to the

devastating loss of his sister, his religious conflicts with his father, his vegetarianism, his heroic and sometime quixotic efforts to come to the aid of impoverished local farmers, and, finally, to his failing health and eventual death at the age of thirty-seven -- all this and more is graphically depicted in this marvelous manga devoted to the short but full life of Kenji Miyazawa. "Upon finishing the book, I found myself moved to tears." Michael, Goodreads "--absolutely wonderful little book." Maria Papova, brainpicker "Brief, but surprisingly complex and information-rich." Ed Sizemore, Manga Worth Reading "--essential." David Cozy, Japan Times

Riverman Apr 29 2021 "This quietly profound book belongs on the shelf next to Jon Krakauer's Into the Wild." —The New York Times The riveting true story of Dick Conant, an American folk hero who, over the course of more than twenty years, canoed solo thousands of miles of American rivers—and then disappeared near the Outer Banks of North Carolina. This book "contains everything: adventure, mystery, travelogue, and unforgettable characters" (David Grann, best-selling author of Killers of the Flower Moon). For decades, Dick Conant paddled the rivers of America, covering the Mississippi, Yellowstone, Ohio, Hudson, as well as innumerable smaller tributaries. These solo excursions were epic feats of planning, perseverance, and physical courage. At the same time, Conant collected people wherever he went, creating a vast network of friends and acquaintances who would forever remember this brilliant and charming man even after a single meeting. Ben McGrath, a staff writer at The New Yorker, was one of those people. In 2014 he met Conant by chance just north

of New York City as Conant paddled down the Hudson, headed for Florida. McGrath wrote a widely read article about their encounter, and when Conant's canoe washed up a few months later, without any sign of his body, McGrath set out to find the people whose lives Conant had touched--to capture a remarkable life lived far outside the staid confines of modern existence. Riverman is a moving portrait of a complex and fascinating man who was as troubled as he was charismatic, who struggled with mental illness and self-doubt, and was ultimately unable to fashion a stable life for himself; who traveled alone and yet thrived on connection and brought countless people together in his wake. It is also a portrait of an America we rarely see: a nation of unconventional characters, small river towns, and long-forgotten waterways.

The Osamu Tezuka Story Dec 14 2019 This graphic-format biography of Osamu Tezuka—Japan's "God of Manga"—looks at one of the twentieth century's great creative artists (Astro Boy, Kimba the White Lion, Black Jack). It is also an anecdotal study of the evolution of Japan's early manga and anime business and its heroes. A never-before-seen popular culture history of postwar Japan, it is sure to fascinate fans and anyone interested in manga, anime, and the potential of the graphic storytelling medium. Toshio Ban joined Tezuka Productions in 1974 as one of Tezuka's assistants. After working for a period as a free-lancer, he later re-joined Tezuka Productions in 1978 as the sub-chief of manga production for magazines, supporting Tezuka's creative work until the end. Tezuka Productions Co., Ltd., is the now-legendary company founded by Osamu Tezuka in

1968 to produce his own manga and anime. In the wake of Tezuka's death in 1989, it has continued as a family enterprise, responsible for the development, production, merchandising, licensing, and distribution of his many manga and anime creations, including books, films, and characters. Frederik L. Schodt is a translator, conference interpreter, and award-winning author of books on Japanese history and pop culture. He often served as Osamu Tezuka's English interpreter and was a consultant on one of his animated features and a TV series.

Che Guevara Feb 20 2023 'I AM AN ARGENTINEAN, CUBAN, AND ALSO BOLIVIAN. I BELONG NOWHERE, BUT EVERYWHERE.' - CHE GUEVARA His name is equated with rebellion, revolution, and socialism. More than forty years after his death, Che Guevara's life continues to captivate our imagination. From his childhood in Argentina and his wish to become a doctor to his encounter with Fidel Castro in 1954 and participation

in the Cuban revolution, this is the extraordinary life story of a man who changed history. Told through vivid manga, this biography offers a new look at one of the world's most memorable figures.

Dictionary of African Biography Feb 14 2020 From the Pharaohs to Fanon, Dictionary of African Biography provides a comprehensive overview of the lives of the men and women who shaped Africa's history.

Unprecedented in scale, DAB covers the whole continent from Tunisia to South Africa, from Sierra Leone to Somalia. It also encompasses the full scope of history from Queen Hatsheput of Egypt (1490-1468 BC) and Hannibal, the military commander and strategist of Carthage (243-183 BC), to Kwame Nkrumah of Ghana (1909-1972), Miriam Makeba and Nelson Mandela of South Africa (1918 -).

Star Wars: The Legends of Luke Skywalker—The Manga Oct 04 2021 The manga anthology inspired by Ken Liu's hit Star Wars novel, Journey to Star Wars: The Last Jedi: The Legends of Luke Skywalker. Luke Skywalker? I thought he was a myth. - Rey Who is Luke Skywalker? Across the galaxies many have heard his name, but few have met the legendary Jedi. There are those who call him a merciless war criminal—others say he's not even a human, but a droid! Whether he is myth or man, those who claim they've encountered the elusive Luke Skywalker all have an unforgettable adventure to share. Star Wars: The Legends of Luke Skywalker—The Manga pairs powerhouse Japanese manga creators with inspiring myths about Luke Skywalker, originally written as a prose novel by best-selling author Ken Liu. © & TM 2020 Lucasfilm Ltd -- VIZ Media

Reframing Disability in Manga Mar 29 2021 *Reframing Disability in Manga* analyzes popular Japanese manga published from the 1990s to the present that portray the everyday lives of adults and children with disabilities in an ableist society. It focuses on five representative conditions currently classified as shōgai (disabilities) in Japan—deafness, blindness, paraplegia, autism, and gender identity disorder—and explores the complexities and sociocultural issues surrounding each. Author Yoshiko Okuyama begins by looking at preindustrial understandings of difference in Japanese myths and legends before moving on to an overview of contemporary representations of disability in popular culture, uncovering sociohistorical attitudes toward the physically, neurologically, or intellectually marked Other. She critiques how characters with disabilities have been represented in mass media, which has reinforced ableism in society and negatively influenced our understanding of human diversity in the past. Okuyama then presents fifteen case studies, each centered on a manga or manga series, that showcase how careful depictions of such characters as differently abled, rather than disabled or impaired, can influence cultural constructions of shōgai and promote social change. Informed by numerous interviews with manga authors and disability activists, Okuyama reveals positive messages of diversity embedded in manga and argues that greater awareness of disability in Japan in the last two decades is due in part to the popularity of these works, the accessibility of the medium, and the authentic stories they tell. Scholars and students in disability studies will find this book an invaluable resource as well as those with interests in

Japanese cultural and media studies in general and manga and queer narrative and anti-normative discourse in Japan in particular.

*Water Aug 02 2021 Spanning millennia and continents, here is a stunningly revealing history of how the distribution of water has shaped human civilization. Boccaletti, of The Nature Conservancy, “tackles the most important story of our time: our relationship with water in a world of looming scarcity” (Kelly McEvers, NPR Host). Writing with authority and brio, Giulio Boccaletti—honorary research associate at the Smith School of Enterprise and the Environment, University of Oxford—shrewdly combines environmental and social history, beginning with the earliest civilizations of sedentary farmers on the banks of the Nile, the Tigris, and the Euphrates Rivers. Even as he describes how these societies were made possible by sea-level changes from the last glacial melt, he incisively examines how this type of farming led to irrigation and multiple cropping, which, in turn, led to a population explosion and labor specialization. We see with clarity how irrigation’s structure informed social structure (inventions such as the calendar sprung from agricultural necessity); how in ancient Greece, the communal ownership of wells laid the groundwork for democracy; how the Greek and Roman experiences with water security resulted in systems of taxation; and how the modern world as we know it began with a legal framework for the development of water infrastructure. Extraordinary for its monumental scope and piercing insightfulness, *Water: A Biography* richly enlarges our understanding of our relationship to—and fundamental reliance on—the most elemental substance*

on earth.

Transformers: The Manga, Vol. 1 Mar 17 2020 In this collector's volume, the Autobots and their young friend Kenji must stand tall against the Decepticons in an interplanetary conflict! These classic stories are from the dawn of the Transformers, and this volume contains thrilling tales such as "The Great Transformer War" and "Fight! Saturday AM Presents How to Draw Diverse Manga Jul 21 2020 For beginner to intermediate artists, Saturday AM Presents How to Draw Diverse Manga demonstrates how to conceive and draw original characters that reflect diverse racial, ethnic, and gender identities, featuring work by the artists represented in Saturday AM magazine, a recognized global brand that unites the two biggest trends in Young Adult graphic novels/comic books: diversity and manga.

Gandhi Dec 18 2022 Through his quietly powerful leadership and influential use of nonviolent resistance in India's struggle against the British Raj, Mahatma Gandhi became one of the most revered figures of the modern era. While history has recorded Gandhi's words and deeds, the man himself has been eclipsed by maxims of virtuosity that seem to have little resonance in our everyday lives. In Gandhi, the third volume in our exciting new manga biography series, created in conjunction with Emotional Content, Kazuki Ebine combines a gripping narrative with stunning illustrations to share Gandhi's inspiring and deeply human story with a whole new generation of readers. Developed in conjunction with Emotional Content.

Alpha Nov 12 2019 An “infuriating, fast-paced” (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America’s special forces—from a Pulitzer Prize-winning reporter WINNER OF THE COLORADO BOOK AWARD • “Nearly impossible to put down.”—Jon Krakauer, New York Times bestselling author of Where Men Win Glory and Into the Wild In this “brilliantly written” (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as “the forever war.” When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he’d stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha’s war, both in Iraq and in the shocking trial that followed the men’s accusations, would complicate the SEALs’ post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

Shigeru Mizuki's Hitler May 11 2022 A master cartoonist and veteran tells the life story of the man who started the second world war Seventy years after his death, Adolf

Hitler remains a mystery. Historians, military tacticians, and psychologists have tried in vain to unravel his complex motivations for leading Germany into the Holocaust and World War II. With Shigeru Mizuki's Hitler, the manga-ka (Kitaro, NonNonba, Showa: A History of Japan) delves deep into the history books to create an absorbing and eloquent portrait of Hitler's life. Beginning with Hitler's time in Austria as a starving art student and ending with a Germany in ruins, Shigeru Mizuki's Hitler retraces the path Hitler took in life, coolly examining his charismatic appeal and his calculated political maneuvering. The Munich Beer Putsch, Hitler's ascent to chancellor, the sudden death of his half-niece Geli, the Battle of Stalingrad, his relationship with Eva Braun, and his eventual demise: all are given equal attention in this thorough and compelling biography. In Mizuki's signature style, which populates incredibly realistic backgrounds with cartoony people, Japan's most famous living cartoonist has created an overview of Hitler's life that is as fascinating as it is informative. Translated from the Japanese by Zack Davisson.

The Book of Maggor Thoom Dec 06 2021 On the dark and shadowy surface of a living black hole resides one Maggor Thoom, demon. After endless eons of success as the star employee of the Insanity Acquisition Department, he has lost his passion and purpose. Yet he knows all too well that those who do not drink the Antediluvian Kool-Aid are soon fed to the ravenous Maw. to save himself from annihilation Mr. Thoom sets off on a desperate journey of self-discovery; he flees The Void and seeks help on a small blue orb called Earth. Unfortunately for Thoom his arrival is detected by the Archon Hunters, an

organization dedicated to protecting the world from eldritch horrors such as himself. Their task: hunt down and terminate with extreme prejudice the potential World Destroyer. Can Thoom find a new purpose before he's snuffed out or will he inadvertently bring about the end of the world? New from the creator of Rex Libris.

Japanese Notebooks Nov 05 2021 Japan is a place of special fascination for the acclaimed international comics creator Igort, who has visited and lived there more than 20 times, and worked in the country's manga industry for more than a decade. In this masterful new book—part graphic memoir, part cultural meditation—Igort vividly recounts his personal experiences in Japan, creating comics amid the activities of everyday life, and finding inspiration everywhere: in nature, history, custom, art, and encounters with creators including animation visionary Hayao Miyazaki. With beautifully illustrated reflections on subjects from printmaking to Zen

Buddhism, imperial history to the samurai code, Japanese film, literature, and manga, this is a richly rewarding book for anyone interested in Japan or comic arts practiced at the highest level.

Banned Book Club Feb 25 2021 The gripping true story of a South Korean woman's student days under an authoritarian regime in the early 1980s, and how she defied state censorship through the rebellion of reading.

The 14th Dalai Lama Jun 12 2022

Tokyo: A Biography Jan 27 2021 The history of Tokyo is as eventful as it is long. A concise yet detailed overview of this fascinating, centuries-old city, Tokyo: A Biography is a perfect companion volume for history buffs or Tokyo-bound travelers looking to learn more about their destination. In a whirlwind journey through Tokyo's past from its earliest beginnings up to the present day, this Japanese history book demonstrates how the city's response to everything from natural disasters to regime change has been to reinvent itself time and again. A calamitous fire results in a massive expansion of the city's territory. A debate over the Samurai code creates far-reaching social change. A malleable boy becomes the figurehead for powerful forces who change an ancient feudal society into a modern industrialized power within a generation. Utter destruction wipes the slate clean again so Tokyoites may start all over. And so it goes. Tokyo's story is riveting, and by the end of Tokyo: A Biography, readers see a city almost unrivalled in its uniqueness, a place that—despite its often tragic history—still shimmers as it prepares to face the future.

Curly Jan 07 2022 While the Three Stooges were the

longest active and most productive comedy team in Hollywood, their artistic height coincided with the years Curly was with them, from 1932 to 1946. Famous for his high-pitched voice, his “nyuk-nyuk-nyuk” and “why, soitenly,” and his astonishing athleticism, Curly was a true natural, an untrained actor with a knack for improvisation. Yet for decades, little information about him was available. Then, in 1985, Joan Howard Maurer, the daughter of Moe Howard and the niece of Curly and Shemp, published this definitive biography. In addition to speaking at length with his relatives, friends, and colleagues, she amassed a wealth of Curly memorabilia, a mixture of written material and rare photographs of Curly’s family, films, and personal life. In Curly, she put it all together to come up with the first and only in-depth look at this crazy comedic genius. She included plenty of intimate details about his astonishing relationship with his mother, his three marriages, and his interactions with his daughters and friends. The result was a well-rounded portrait of the most unpredictable—and most popular—Stooge. Joan Howard Maurer is the daughter of Moe Howard, the leader of the Three Stooges. Her books include The Three Stooges Scrapbook (with Jeff and Greg Lenburg) and The Three Stooges Book of Scripts. Michael Jackson, now recognized as the most successful entertainer of all time, often spoke of his love for the Three Stooges.

Tough Oct 24 2020 From Brooklyn Nine-Nine star Terry Crews, the deeply personal story of his lifelong obsession with strength—and how, after looking for it in all the wrong places, he finally found it Terry Crews spent decades cultivating his bodybuilder physique and

bravado. On the outside, he seemed invincible: he escaped his abusive father, went pro in the NFL, and broke into the glamorous world of Hollywood. But his fixation with appearing outwardly tough eventually turned into an exhausting performance in which repressing his emotions let them get the better of him—leading him into addiction and threatening the most important relationships in his life. Now Crews is sharing the raw, never-before-told story of his quest to find the true meaning of toughness. In Tough, he examines arenas of life where he desperately sought control—masculinity, shame, sex, experiences with racism, and relationships—and recounts the setbacks and victories he faced while uprooting deeply ingrained toxic masculinity and finally confronting his insecurities, painful memories, and limiting beliefs. The result is not only the gripping story of a man's struggle against himself and how he finally got his mind right, but a bold indictment of the cultural norms and taboos that ask men to be outwardly tough while leaving them inwardly weak. With Tough, Crews's journey of transformation offers a model for anyone who considers themselves a “tough guy” but feels unfulfilled; anyone struggling with procrastination or self-sabotage; and anyone ready to achieve true, lasting self-mastery.

*The Adventures of Alexander Von Humboldt Jun 19 2020
A KIRKUS REVIEWS BEST BOOK OF THE YEAR From the New York Times bestselling author of The Invention of Nature, comes a breathtakingly illustrated and brilliantly evocative recounting of Alexander Von Humboldt's five year expedition in South America. Alexander von Humboldt (1769-1859) was an intrepid*

explorer and the most famous scientist of his age. His restless life was packed with adventure and discovery, but his most revolutionary idea was a radical vision of nature as a complex and interconnected global force that does not exist for the use of humankind alone. His theories and ideas were profoundly influenced by a five-year exploration of South America. Now Andrea Wulf partners with artist Lillian Melcher to bring this daring expedition to life, complete with excerpts from Humboldt's own diaries, atlases, and publications. She gives us an intimate portrait of the man who predicted human-induced climate change, fashioned poetic narrative out of scientific observation, and influenced iconic figures such as Simón Bolívar, Thomas Jefferson, Charles Darwin, and John Muir. This gorgeous account of the expedition not only shows how Humboldt honed his groundbreaking understanding of the natural world but also illuminates the man and his passions.

Che Sep 22 2020 The classic graphic biography of Che Guevara—the most iconic revolutionary of the twentieth century This dramatic and extensively researched book breathes new life into the story of Ernesto “Che” Guevara. It portrays his revolutionary struggle through the appropriate medium of the underground political comic—one of the most prominent countercultural art forms since the 1960s. Spain Rodriguez’s powerful artwork illuminates Che’s life and the experiences that shaped him: his motorcycle journey through Latin America, his rise to prominence as a leader in Fidel Castro’s revolutionary movement, his travels in Africa, the desperate mission in Bolivia that led to his death, and his extraordinary legacy.

Gandhi Oct 16 2022

The 14th Dalai Lama Aug 14 2022 Offers the story of Lhamo Thondup, the fourteenth Dalai Lama, who was discovered when he was two years old and brought to the capital city of Lhasa to be trained as the religious and political leader of his country.

Che Guevara Nov 17 2022 An extraordinary illustrated graphic novel about the legendary political figure Che Guevara. His name is equated with rebellion, revolution, and socialism. His face is on tee-shirts all over the world. Che Guevara's life has been explored and portrayed in numerous books and films, including The Motorcycle Diaries, and he continues to captivate the public imagination more than forty years after his death.

Guevara became politically active in his native Argentina, but gained notoriety after he met Fidel Castro and became instrumental in Castro's efforts in Cuba. Guevara then went on to Bolivia, where he was captured and killed by the Bolivian army while trying to incite revolution. This illustrated biography tells the riveting story of Che's life and death through the popular Japanese art form manga.

One Piece, Vol. 57 Jan 15 2020 Join Monkey D. Luffy and his swashbuckling crew in their search for the ultimate treasure, One Piece! As a child, Monkey D. Luffy dreamed of becoming King of the Pirates. But his life changed when he accidentally gained the power to stretch like rubber...at the cost of never being able to swim again! Years, later, Luffy sets off in search of the "One Piece," said to be the greatest treasure in the world... All-out war has broken out between the Whitebeard Pirates and the Navy. Whitebeard's crew is said to be the most powerful in the New World, but they'll have their hands full against

the Navy Admirals and the remaining Warlords of the Sea. Meanwhile, can Luffy reach Navy headquarters in time to save his brother Ace?

Kentaro Miura Book Mar 09 2022 University Press returns with another short and captivating portrait of one of history's most compelling figures, Kentaro Miura. Kentaro Miura was one of the world's most popular manga artists of the 20th and 21st centuries. Best known for his long-running, best-selling manga series, Berserk, Miura draws his readers into a bleak, dark fantasy world, and introduces them to a hooded stranger. A lone mercenary. He is missing one eye, and one of his hands is a metal prosthetic, rugged and robotic. He carries a large sword the size of a surfboard, strapped to his back. And he is on a rampage of vengeance, leaving a trail of gore and death in his wake wherever he goes. Born in Chiba, Japan on July 11, 1966, Kentaro Miura created his first manga at age ten, honed his skills with his high school classmates, trained with a legendary manga artist, mastered his craft at Nihon University, created an iconic dark warrior character with a giant sword, wrote one of the best-selling manga series of all time, and forever changed the worlds of manga, anime, video games, movies, and literature. Tragically, Miura died of an acute aortic disruption on May 6, 2021, at the age of 54. But he inspired a new generation of manga artists, and his trained assistants carry on with his work for his millions of devoted fans around the world. This short book tells the intensely human story of a man who changed the world in a way that no one else could.

The 14th Dalai Lama Jan 19 2023 A new way of getting to know one of the world's most beloved spiritual leaders.

Featuring a charmingly illustrated format that will appeal to readers of all ages, this unique biography is an ideal introduction to the leader of the Tibetan government-in-exile. Born in 1935 to a peasant family in a small village, Tenzin Gyatso was recognized at the age of two as the reincarnation of his predecessor, the Thirteenth Dalai Lama. In 1950, His Holiness assumed full political power when China invade Tibet-a tragedy that forever changed him and shaped his efforts on behalf of world peace, for which he was award the Nobel Peace Prize. This graphic novel is an appealing and approachable depiction of the life and personality of an iconic figure.

The Osamu Tezuka Story Sep 15 2022 A documentary manga biography of the influential artist and the birth and evolution of manga and anime in Japan.

The Story of Buddha May 19 2020 A manga adaptation of the early life and adulthood of the historical Buddha.

"Twenty-five hundred years ago, in his youth Buddha had the same nagging questions that we do today. He never avoided them or gave up the search for answers, but devoted himself earnestly to discovering the meaning of life"--P. [4] of cover.

The History of Hentai Manga Nov 24 2020 A rare in-depth look at Japan's wide world of adult comics and it's symbolism within Japanese popular culture.

Awkward Aug 22 2020 Cardinal rule #1 for surviving school: Don't get noticed by the mean kids. Cardinal rule #2 for surviving school: Seek out groups with similar interests and join them. On her first day at her new school, Penelope--Peppi--Torres reminds herself of these basics. But when she trips into a quiet boy in the hall, Jaime Thompson, she's already broken the first rule, and

the mean kids start calling her the "nerder girlfriend." How does she handle this crisis? By shoving poor Jaime and running away! Falling back on rule two and surrounding herself with new friends in the art club, Peppi still can't help feeling ashamed about the way she treated Jaime. Things are already awkward enough between the two, but to make matters worse, he's a member of her own club's archrivals--the science club! And when the two clubs go to war, Peppi realizes that sometimes you have to break the rules to survive middle school!

Just as You are Apr 10 2022

Showa 1926-1939: May 31 2021 A fascinating period in Japanese History explored by a master of manga Showa 1926-1939: A History of Japan is the first volume of Shigeru Mizuki's meticulously researched historical portrait of twentieth century Japan. This volume deals with the period leading up to World War II, a time of high unemployment and other economic hardships caused by the Great Depression. Mizuki's photo-realist style effortlessly brings to life Japan of the 1920s and 1930s, depicting bustling city streets and abandoned graveyards with equal ease. When the Showa Era began, Mizuki himself was just a few years old, so his earliest memories coincide with the earliest events of the Era. With his trusty narrator Rat Man, Mizuki brings history into the realm of the personal, making it palatable, and indeed compelling, for young audiences as well as more mature readers. As he describes the militarization that leads up to World War II, Mizuki's stance toward war is thoughtful and often downright critical - his portrayal of the Nanjing Massacre clearly paints the incident (a disputed topic

within Japan) as an atrocity. Mizuki's Showa 1926-1939 is a beautifully told history that tracks how technological developments and the country's shifting economic stability had a role in shaping Japan's foreign policy in the early twentieth century. Translated from the Japanese by Zack Davisson.
