A celebration of the extraordinary courage, dedication, and sacrifice of this generation of American veterans on the battlefield and their equally valuable contributions on the home front. Starbucks CEO Howard Schultz and National Book Award nominee Rajiv Chandrasekaran honor acts of uncommon valor in Iraq and Afghanistan, including an army sergeant who runs into a hail of gunfire to protect his comrades; two marines who chose to stand and defend their outpost from an oncoming truck bomb; and a sixty-year-old doctor who joined the navy after his son was killed at war, saving dozens of lives during his service. We also see how veterans turn their leadership skills into community-building initiatives once they return home: former soldiers who aid residents in rebuilding after natural disasters; an infantry officer who trades in a Pentagon job to teach in an inner-city neighborhood; the spouse of a severely injured soldier assisting families in similar positions. These powerful, unforgettable stories demonstrate just how indebted we are to those who protect us and what they have to offer our nation when their military service is over. 'For the Love of Go' is a book introducing the Go programming language, suitable for complete beginners, as well as those with experience programming in other languages. This completely revised and updated edition includes the four mini-books previously released as 'Fundamentals', 'Data', 'Behaviour', and 'Control', plus for the first time complete solutions (with tests) to all the coding challenges in the book. Throughout the book we'll be working together to develop a fun and useful project in Go: an online bookstore called Happy Fun Books! Each chapter introduces a new feature or concept, and sets you some goals to achieve, with complete, step-by-step explanations of how to solve them, and full code listings with accompanying tests. There are 24 chapters, and 215 pages (depending on the screen size of your ebook reader). "Perfect to read on the beach." –The Boston Globe To go for it or not to go for it? That is the question when two former high school flames return to their Shakespeare-obsessed hometown for a summer of theater and unexpected romance, in a laugh-out-loud rom-com from debut author Jessica Martin. Literary agent and writer Miranda Barnes rolls into her hometown of Bard's Rest with one goal in mind: to spend the summer finally finishing her YA novel, the next installment in her bestselling fantasy series. Yet Miranda's mother, deep in the planning stages for the centennial of the town's beloved annual Shakespeare festival, has other ideas. Before you can say "all's fair in love and war," Miranda is cornered into directing Twelfth Night—while simultaneously scrambling to finish her book, navigating a family health scare, and doing her best to avoid the guy who broke her heart on prom night. When it comes to Adam, the veterinarian with a talent for set design and an infuriating knack for winning over Miranda's dog, the lady doth protest too much. As any Shakespeare lovers knows, the course of true love never did run smooth, and soon Miranda realizes she'll have to decide whether to trust Adam with her heart again. The beloved New York Times bestselling author Making Toast and Kayak Morning returns with a powerful meditation on a universal subject: love. In The Book of Love, Roger Rosenblatt explores love in all its moods and variations—romantic love, courtship, battle, mystery, marriage, heartbreak, fury, confusion, melancholy, delirium, ecstasy; love of family, of friends; love of home, of country, of work, of writing, of solitude, of art; love of nature; love of life itself. Rosenblatt is on a quest to illuminate this elusive and essential emotion, to define this thing called love. Cleverly using lines from love songs to create a flowing ballad—as infectious and engaging as a jazz riff—he intersperses fictional vignettes that capture lovers in different situations, ages, and temperaments along with notes addressed to “you,” his wife of fifty years. “The story I have to tell is of you. Of others, too. Other people, other things. But mainly of you. It begins and ends with you. It always comes back to you.” Lively yet profound, poignant yet joyous, The Book of Love is a triumph of intellect and imagination: a personal discourse on love that is both novel and timeless. Our books—the ones we choose to keep—tell the story of who we are. They remind us who we once were and who we aspire to be. Thatcher Wine founded Juniper Books in 2001. The company creates custom libraries and has perfected the art of turning books inside out to allow for books to tell stories not just to us, but about us. Working with booklovers, homeowners, and designers, Juniper Books has provided the world with a fresh new approach to the printed book. Thatcher grew up in New York City where his parents owned and operated The Quilted Giraffe, one of the most innovative restaurants in America. Thatcher graduated from Dartmouth College with a degree in history and art history and lives in Boulder, Colorado. Elizabeth Lane is the founder of Quarterlane, a quarterly subscription book service which merged with Juniper Books in 2018. She is also the book buyer for her local independent bookstore, Partners Village Store and Kitchen in Westport, Massachusetts. Prior to working in books, Elizabeth worked in contemporary visual art—in galleries, nonprofit initiatives and museums in New York, Austin, and Chicago. Elizabeth graduated from Davidson College with a degree in art history and received her masters degree from the School of the Art Institute of Chicago. Providing insight on aggression, dreams, affluence, religion, and human growth, a distinguished social critic and psychoanalyst reveals the importance and awareness of life's tragedies and the transcending power of love. Erich Fromm, author of the international bestseller *The Art of Loving*, completed his volume of work with this deep dive into the areas of life that effect our emotional presence with stunning revelations about the balance of tragic experiences and the power of love. Known for drawing connections between human personality types and socioeconomic and political structures, Fromm provides insight on dreams, the origins of aggression, and the relevance of the prophets as it relates to humans today in this transcription of a series of talks he gave over South German public radio in 1970. Create calming, peaceful spaces in your home with white and neutral tones with the first home decorating book from The White Company, published as this much-loved brand celebrates its twenty-fifth anniversary. “The thing about white is that it goes with everything, it is a canvas for life, whoever you are and whatever your tastes. You just can't beat it.”—Chrissie Rucker Whether you live in a tiny city apartment, a rambling country cottage or an elegant town house For the Love of White offers the definitive book on decorating with white and neutral ones. From room schemes for light, bright family kitchens and calming bedrooms to the all-important finishing touches—this is a book to be inspired by again and again. Illustrated with specially commissioned photography by leading interiors photographer, Chris Everard and organized into three sections—Country, Town and Coastal—the book provides both the advice and the inspiration needed to transform your home. A nonfiction investigation into masculinity, For The Love of Men provides actionable steps for how to be a man in the modern world, while also exploring how being a man in the world has evolved. In 2019, traditional masculinity is both rewarded and sanctioned. Men grow up being told that boys don't cry and dolls are for girls (a newer phenomenon than you might realize—gendered toys came back in vogue as recently as the 80s). They learn they must hide their feelings and anxieties, that their masculinity must constantly be proven. They must be the breadwinners, they must be the romantic pursuers. This hasn't been good for the culture at large: 99% of school shooters are male; men in fraternities are 300% (!) more likely to commit rape; a woman serving in uniform has a higher likelihood of being assaulted by a fellow soldier than to be killed by enemy fire. In For the Love of Men, Liz offers a smart, insightful, and deeply-researched guide for what we're all going to do about toxic masculinity. For both women looking to guide the men in their lives and men who want to do better and just don't know how, For the Love of Men will lead the conversation on men's issues in a society where so much is changing, but gender roles have remained strangely stagnant. What are we going to do about men? Liz Plank has the answer. And it has the possibility to change the world for men and women alike. Explores the all-important languages of love, helping each partner discover which actions are interpreted by the other as loving and affirming, and which as indifferent and demeaning. With study guide. Jen Hatmaker reveals how to practice kindness, grace, truthfulness, vision, and love to ourselves and those around us. Available only in Middle French and German translation until now, this volume constitutes the first full-length, French-English bilingual edition of Rene of Anjou's *Livre du cuers d'amours esprits*, including all sixteen of the celebrated color plates, a critical introduction, notes on the translation, and a comprehensive bibliography. The book tells the tale of desire and adventure as Heart -- part of Rene torn from his body by Love -- travels a complex allegorical landscape in quest of the lady Mercy, who is being held prisoner by a band of miscreants led by Refusal and Shame. Rene begs the reader to help him determine which of three entities is responsible for his torment: Fortune led him to the lady whom he loves; once he arrived, Love, in the guise of his lady's gaze, struck his heart; and Destiny insists that he reflect upon her alone. In addition to being a compelling courtly page-turner, *The Book of the Love-Smitten Heart* represents the rare instance in which a medieval love story is told simultaneously in three frameworks: autobiographical letter, dream vision, and quest romance. This structure makes clear the multiple logics within which the author's psychology is reflected in the story, and illustrates how the symbol of the heart, as it travels through

these shifting frameworks, dramatizes vital relations linking self, desire, and writing. From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb’s teacher, who won’t stop reminding the class how “bad” Muslims are. But Zayneb, the only Muslim in class, isn’t bad. She’s angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt’s house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, “nicer” version of herself in a place where no one knows her. Then her path crosses with Adam’s. Since he got diagnosed with multiple sclerosis in November, Adam’s stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam’s also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting. Over 20 million copies sold! A perennial New York Times bestseller for over a decade! Falling in love is easy. Staying in love—that’s the challenge. A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman’s carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn’t believe in lasting romantic relationships—but her best friend does, and that’s what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor—and well-known ass. Which is why Olive is positively floored when Stanford’s reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive’s career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope. For parents, teachers, and everyone who remembers being a student, an unforgettable glimpse into the inner workings of school, from a life-long educator. Children spend most of their waking hours in school, exploring boundaries, forming important relationships, and of course, learning. But as you step into the unique vantage of the principal’s office, you experience first-hand the wide range of characters, efforts, and decisions that ensure all students thrive. Kristin Phillips takes us through a school year, from the excitement of fall, through the long days of winter, and into the renewed energy that comes with spring. Through her eyes, we experience the increasingly complex education system: students with unique learning needs, teachers bringing their practice into the 21st century, and the parent-partners who have entrusted their children to the school system. Myles, a precocious five-year-old, introduces himself by swearing a blue streak on the first day of school. He finds solace in a paper box rocket ship in Phillips’s office. Rafi, a grade 8 boy oozing with attitude, makes a very uncool choice to lunch with the principal. And Harriet, a struggling teacher, is oblivious to the fact her students are bored to tears. Throughout the story, Phillips develops caring relationships with the people who need her the most, as she works with colleagues to create an environment where everyone succeeds. But principals are people, too, and Phillips also recounts the demands on her as a single mother with three teenagers, one of whom suffers from significant mental health issues. As an educator, she tries to help students coping with similar problems and reveals a heartfelt story of dealing with the system, from both sides. With honesty and compassion, Phillips gives a human face to the joys of school, and the very real difficulties educators work to overcome, one year and one student at a time. Yes, humans and canines are different species, but current research provides fascinating, irrefutable evidence that what we share with our dogs is greater than how we vary. As behaviorist and zoologist Dr. Patricia McConnell tells us in this remarkable new book about emotions in dogs and in people, more and more scientists accept the premise that dogs have rich emotional lives, exhibiting a wide range of feelings including fear, anger, surprise, sadness, and love. In *For the Love of a Dog*, McConnell suggests that one of the reasons we love dogs so much is that they express emotions in ways

similar to humans. After all, who can communicate joy better than a puppy? But not all emotional expressions are obvious, and McConnell teaches both beginning dog owners and experienced dog lovers how to read the more subtle expressions hidden behind fuzzy faces and floppy ears. For those of us who deeply cherish our dogs but are sometimes baffled by their behavior, *For the Love of a Dog* will come as a revelation—a treasure trove of useful facts, informed speculation, and intriguing accounts of man’s best friend at his worst and at his very best. Readers will discover how fear, anger, and happiness underlie the lives of both people and dogs and, most important, how understanding emotion in both species can improve the relationship between them. Thus McConnell introduces us to the possibility of a richer, more rewarding relationship with our dogs. While we may never be absolutely certain what our dogs are feeling, with the help of this riveting book we can understand more than we ever thought possible. Those who consider their dogs part of the family will find *For the Love of a Dog* engaging, enlightening, and utterly engrossing. Celebrate love with this rhyming picture book featuring enchanting illustrations and poetic text! Love and the many ways one can show it are at the heart of this sweet, charming picture book. Whether it's giving someone a big hug, offering a helping hand, or sharing words of encouragement, it's these gestures that make the world a better place to live. Emma Randall's delicate and appealing illustrations accompany delightful verses in a timeless story perfect for reading aloud with loved ones. **ONE OF THE MOST LOVED NOVELS OF THE DECADE.** A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he’s still alive. But it wasn’t always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday). **GOOD MORNING AMERICA BOOK CLUB PICK** “Rosie Walsh’s *The Love of My Life* is my favorite kind of thriller—gripping, heartbreaking and impossible to put down.”—Laura Dave From the New York Times bestselling author of *Ghosted* comes a love story wrapped in a mystery: an up-all-night page-turner with a dark secret at its core I have held you at night for ten years and I didn't even know your name. We have a child together. A dog, a house. Who are you? Emma loves her husband Leo and their young daughter Ruby: she'd do anything for them. But almost everything she's told them about herself is a lie. And she might just have got away with it, if it weren't for her husband's job. Leo is an obituary writer; Emma a well-known marine biologist. When she suffers a serious illness, Leo copes by doing what he knows best – researching and writing about his wife's life. But as he starts to unravel the truth, he discovers the woman he loves doesn't really exist. Even her name isn't real. When the very darkest moments of Emma's past finally emerge, she must somehow prove to Leo that she really is the woman he always thought she was . . . But first, she must tell him about the other love of her life. Which famous author died of caffeine poisoning? Why was Alice's *Adventures in Wonderland* banned in China? Who was the first British writer to win the Nobel Prize in Literature? What was Truman Capote superstitious about? Here is a light-hearted book about books and the people who write them for all lovers of literature. A treasure trove of compelling facts, riveting anecdotes, and extraordinary characters, *For the Love of Books* is a book about books—and the inside stories about the people who write them. Learn how books evolved, what lies behind some of the greatest tales ever told, and who's really who in the world of fiction. From banned books to famous feuding authors, from literary felons to rejected masterpieces, from tips for aspiring writers to stand-out book lists for readers to catch up on, *For the Love of Books* is a celebration of the written word and an absolute page-turner for any book lover. Read all about it! In a world that views absolute truth, right and wrong, and salvation as being subject to individual interpretation, the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times. But it is not God's Word that has changed. Indeed, its relevancy and its power to transform lives are intact. What has changed is the number of people who consult it. Now more than ever the need to read the Bible, to understand the big picture of its storyline, and to grasp the relevance this has for your life is critical. As with its companion volume, *For the Love of God-Volume 2*, this devotional contains a systematic 365-day plan, based on the M'Cheyne Bible-reading schedule, that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once. In an effort to help preserve biblical thinking and living, D. A. Carson has also written thought-provoking comments and reflections regarding each day's scriptural passages. And, most uniquely, he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty-and the unity and power of his Word. We live in a world where sexuality is ruined by sin, its beauty obscured by our brokenness. We need a divine vision for the way love was meant to be, with a gospel that offers forgiveness for sin and grace to live in the way that God has made us to be. In the *Song of Songs*, we encounter a love story that is part of the greatest love story ever told. Philip Ryken walks through this biblical love poem verse by verse, reflecting on what the Bible says about God's design for love, intimacy, and sexuality and offering insights into not only human relationships but also our relationship to God himself—learning more about the One who

has loved us with an everlasting love. How a group of Iranian students sought love and learning in Jane Austen's London In July 1815, six Iranian students arrived in London under the escort of their chaperone, Captain Joseph D'Arcy. Their mission was to master the modern sciences behind the rapid rise of Europe. Over the next four years, they lived both the low life and high life of Regency London, from being down and out after their abandonment by D'Arcy to charming their way into society and landing on the gossip pages. *The Love of Strangers* tells the story of their search for love and learning in Jane Austen's England. Drawing on the Persian diary of the student Mirza Salih and the letters of his companions, Nile Green vividly describes how these adaptable Muslim migrants learned to enjoy the opera and take the waters at Bath. But there was more than frivolity to their student years in London. Burdened with acquiring the technology to defend Iran against Russia, they talked their way into the observatories, hospitals, and steam-powered factories that placed England at the forefront of the scientific revolution. All the while, Salih dreamed of becoming the first Muslim to study at Oxford. *The Love of Strangers* chronicles the frustration and fellowship of six young men abroad to open a unique window onto the transformative encounter between an Evangelical England and an Islamic Iran at the dawn of the modern age. This is that rarest of books about the Middle East and the West: a story of friendships. Forty-something Jennifer Moran spends a lot of time on the couch, eating chocolate. Widowed at an early age, she has brought up her daughter and taught a generation of Jerusalem adolescents how to talk politely, in English. Now her child is an adult, and the finer points of English grammar have lost their allure. The Second Intifada is raging in Israel, and Jennifer turns her attention to the news and to the handsome British AZZ reporter who presents it. But when the reporter himself becomes the news, Jennifer's life takes a stunning turn as she is plunged into a world of political intrigue and danger. She seems to have bitten off more than she can chew; and that's in addition to chocolate. *For the Love of God and Virgins* is a gripping love story that takes place against the background of convoluted agendas. As the action moves between Jerusalem and London, the reader is caught up in Jennifer's yearning for peace, both in her country and at home. "Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all." —David Brooks, *The New York Times* Book Review Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime. In this *Women of Faith* Bible study, readers will look at key passages in the Bible that speak about this kind of love, how they can get it from the Source, and what it calls them to do. **NEW YORK TIMES BESTSELLER** • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that "enriches the reader's life with urgency and gratitude" (*The Washington Post*) "A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious."—*USA Today* **ONE OF THE TEN BEST BOOKS OF THE YEAR:** *Publishers Weekly* **ONE OF THE BEST BOOKS OF THE YEAR:** *The New York Times Book Review*, *Time*, *Entertainment Weekly*, *NPR*, *The Washington Post*, *The Boston Globe*, *USA Today*, *Real Simple*, *Prospect* (UK), *She Reads*, *Kirkus Reviews* Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. Shortlisted for the Rathbones Folio Prize Miranda and Adam, high school sweethearts now in their late fifties, arrive by chance at the same time in Rome, a city where they once spent a summer deeply in love. At an awkward reunion, Adam suggests that they meet for daily walks and get to know each other again. Both have

their own sense of who betrayed whom and long-held interpretations of the events that caused them not to part. But gradually, as they take in the pleasures of the city and the drama of its streets, they discover not only what matters to them now but also what happened to them long ago. From acclaimed author Mary Gordon, *The Love of My Youth* is a poignant look at first love, at the hopes and dreams of a generation, and at what became of them. “Moving, beautiful . . . If Hemingway had written a baseball novel, he might have written *For Love of the Game*.”—Los Angeles Times *Billy Chapel* is a baseball legend, after seventeen seasons a sure Hall of Famer. He is a man who has retained the endearing qualities of youth, a man who has devoted his life to the game he loves and plays so well. But, because of his unsurpassed skill and innocent faith, he has been betrayed. It's the final game of the season, and Billy's got one last chance to prove who he is and what he can do, a chance to prove what really matters in this life. A taut, compelling story of one man's coming of age, *For Love of the Game* is Michael Shaara's final novel, the classic finish to a brilliantly distinguished literary career. Praise for *For Love of the Game* “A delightful and lyrical story about a great athlete's momentous last game . . . A fairy tale for adults about love and loneliness and finally growing up.”—USA Today “An endearing, timeless novel that can be enjoyed by both serious readers and baseball lovers for generations to come.”—The Orlando Sentinel

Most Christian college students separate their academic life from church attendance, Bible study, and prayer. Too often discipleship of the mind is overlooked if not ignored altogether. In this lively and enlightening book, two authors who are experienced in college youth ministry show students how to be faithful in their studies, approaching education as their vocation. This revised edition of the well-received *The Outrageous Idea of Academic Faithfulness* includes updates throughout, two new substantive appendixes, personal stories from students, a new preface, and a fresh interior design. Chapters conclude with thought-provoking discussion questions. A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he wastes away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again. With a lifetime of experience, profound knowledge and understanding, and heartwarming appreciation, an internationally celebrated conductor and teacher answers the questions: Why should I listen to classical music? How can I get the most from the listening experience? A protégé of Leonard Bernstein—his colleague for eighteen years—and an eminent conductor who has toured and recorded all over the world, John Mauceri helps us to reap the joys and pleasures classical music has to offer. Briefly, we learn the way a musical tradition born in ancient Greece, embraced by the Roman Empire, and subsequently nurtured by influences from across the globe, gave shape to the classical music that came to be embraced by cultures from Japan to Bolivia. Then Mauceri examines the music itself, helping us understand what it is we hear when we listen to classical music: how, by a kind of sonic metaphor, it expresses the deepest recesses of human feeling and emotion; how each piece bears the traces of its history; how the concert experience—a unique one each and every time—allows us to discover music anew. Unpretentious, graceful, instructive, this is a book for the aficionado, the novice, and anyone looking to have the love of music fired within them. “With sumptuous, visually stimulating spreads, this book delivers on its promise— to unearth strange stories, bizarre facts, or unexpected details about the books on our shelves. Good for curious readers, whether they want to delve into authors and books they love, feel competent faking knowledge about books everyone else seems to have read, or just dip into and out of literary worlds” – Library Journal

How artificial intelligence and robotics are transforming the future of love and desire: a philosophical thriller and essays. A chance encounter between two women and a road trip into the future: It's Christmas Eve, and Scarlett, banker-turned-technologist, is leaving a secret underground lab to catch the last flight that will get her home in time to open presents with her three-year-old son. She offers a lift to a young woman in distress, who shares her intimate life story as they drive to the airport.

These revelations will have devastating consequences for both of them. *The Love Makers* is a philosophical thriller about female friendship, class, motherhood, women, and work--and how artificial intelligence and robotics are transforming the future of love and desire. Aifric Campbell combines her novel with essays from leading scientists and commentators who examine what's at stake in our human-machine relationships. What is our future as friends, parents, lovers? Will advances in intelligent machines reverse decades of progress for women? From robot nannies to generative art and our ancient dreams of intelligent machines, *The Love Makers* blends storytelling with science communication to investigate the challenges and opportunities of emergent technologies and how we want to live. At times it can be ecstatic and entrancing, other times simple and still—and sometimes you might not even feel its profound effects until later. Now with Meditation for the Love of It, Sally Kempton shares practical secrets to help us turn meditation into an unconditional embrace of the fullness of our experience—on and off the meditation cushion. With the gentle wisdom and compassion of one who understands the nuances of practice, she opens us to the joy of exploring the deep and mysterious inner landscape of the heart, mind, and body. Drawing on her 40 years as a teacher and a fellow meditator, Sally teaches us how we can connect to our inner longings and creative “shakti” energy to allow the transformative gifts and blessings of meditation to unfold. With playfulness and devotion—two key attitudes in sustaining a daily practice—she shares indispensable guidance for this voyage of self-discovery, including: How to tune in to your own “meditation channel,” a bandwidth of tranquillity, energy, and joy Why you don't need a quiet mind to meditate How the force known as Kundalini can fuel your practice Connecting to your ever-present Inner Beloved to let go of conditioned ideas about yourself and make space for the True Self to come forth Ripening your practice beyond technique into the “sweet mysterious expanse of spontaneous meditation” More than 20 practices for bringing the peace and insight of meditation into your daily life “Remember: what you seek in meditation is your own Beloved, your own inner intelligence, your own Awareness, and your own Truth,” teaches Sally. Meditation for the Love of It points us back to our own intimate heart of hearts, our own deepest experience, and the bliss of existence itself.
