Ford Parts Interchange Manual 1950-1965 Apr 02 2021 This parts interchange manual has been designed to help you in the purchase and identification of original equipment parts. It should save you many hours of time locating the parts you need. With this manual you will know exactly what parts from which vehicles are identical. There may be no need to pay a high price for a supposedly rare part when it may be identical to many other FOMOCO parts. This manual may not only save you money, it could be a great reference source for your restoration project. It includes model identification, vin tag information, engine codes, transmission identification, original factory part numbers, and for certain parts casting numbers. Only includes cars that were in production 1950 to 1965. It does not include interchanges for newer cars. The manual is broken down by the major groups listed below and each of these groups is further broken down into specific parts. For example under the body group it lists everything from bumpers to window regulators. Below are the groups and a sample of what is included in each group. Axle groupShafts, housing, gears, etc. Bearing groupPinion, wheel, etc. Body groupFenders, grilles, doors, bumpers, etc. Brake groupDrums, master cylinders, shoes, etc. Clutch groupCover, disc, etc. Cooling groupRadiator, water pump, etc. Electrical groupAlternator, horn, distributor, wiper motors, etc. Engine groupCamshaft, crankshafts, heads, manifolds, etc. (covers 6 cylinder up to the 430) Fuel groupCarburetors, fuel pumps, tanks, etc. Suspension groupSprings, shocks, tie rods, etc. Transmission groupComplete transmissions, gears, shaft, etc. Glass groupWindshield, back window, vent, door Wheel groupHubs Covers the models below: Ford: 300, Country Sedan, Country Squire, Crestline, Crestliner, Crown Victoria, Custom Deluxe, Custom 500, Customline, Del Rio, Deluxe, Fairlane, Falcon, Galaxie, Mustang,

Parklane, Ranchero, Ranch Wagon, Skyliner, Starliner, Squire, Thunderbird, Ltd, Mainline Mercury: Colony Park, Comer, Commuter, Custom, Cyclone, Eight, Marauder, Meteor, Montclair, Monterey, Park Lane, S-22, S-33, S-55, Turnpike Cruiser, Voyager Lincoln: Capri, Continental, Cosmopolitan, Custom, Lido, Mark Series, Premiere Edsel: Citation, Corsair, Pacer, Ranger

Ford Small-Block Engine Parts Interchange Apr 21 2020 If there is one thing Ford enthusiasts have learned over the years, deciphering which Ford parts work with which Ford engines is a far more difficult task than with many other engine families. Will Cleveland heads fit on my Windsor block? Can I build a stroker motor with factory parts? Can I gain compression by using older-model cylinder heads, and will it restrict flow? Is there a difference between Windsor 2-barrel and 4-barrel heads? These are just a few examples of common questions Ford fans have. These and many other questions are examined in this all-new update of a perennial best seller. Thoroughly researched and, unlike previous editions, now focused entirely on the small-block Windsor and Cleveland engine families, Ford Small Block Engine Parts Interchange includes critical information on Ford's greatest small-block engines and goes into great detail on the highly desirable high-performance hardware produced throughout the 1960s, 1970s, and 1980s. By combining some of the best parts from various years, some great performance potential can be unlocked in ways Ford never offered to the general public. Following the advice in Ford Small-Block Engine Parts Interchange, these engine combinations can become reality. You will find valuable information on cranks, blocks, heads, cams, intakes, rods, pistons, and even accessories to guide you through your project. Author George Reid has once again done extensive research to accurately deliver a thorough and complete collection of Ford small-block information in this newly revised edition. Knowing what internal factory engine parts can be used across the wide range of production Ford power plants is invaluable to the hot rodder and swap meet/eBay shopper. Whether building a stroker Cleveland or a hopped-up Windsor, this book is an essential guide.

Oldsmobile Auto Parts Interchange Manual 1935-1952 Jul 25 2020 The part interchange manual can be used to look up NOS part numbers. It includes approximately 3000 parts descriptions with factory part numbers by make model and year for Oldsmobile, Pontiac, Chevrolet, and Buick parts by year, make, and model that are interchangeable. For example, you can also determine if different years of Pontiac used the same part or as a parts manual for your car. Covers engine parts, body parts, electrical parts, suspension parts, clutches, transmission, rear ends, steering, and more. There are even some parts listed for the early 1930's. For convenience the parts are listed in sequence by group number. Model application or interchangeable parts for each car line is shown under the respective columns. Anyone looking for or selling parts, attending swap meets or restoring an antique auto will be able to put this information to good use.

Chevrolet Auto Parts Interchange Manual 1935-1952 Mar 21 2020 The part interchange manual can be used to look up NOS part numbers. It includes approximately 3000 parts descriptions with factory part numbers by make model and year for Chevrolet, Pontiac, Buick, and Oldsmobile parts by year, make, and model that are interchangeable. For example, you can also determine if different years of Pontiac used the same part or as a parts manual for your car. Covers engine parts, body parts, electrical parts, suspension parts, clutches, transmission, rear ends, steering, and more. There are even some parts listed for the early 1930's. For convenience the parts are listed in sequence by group number. Model application or interchangeable parts for each car line is shown under the respective columns. Anyone looking for or selling parts, attending swap meets or restoring an antique auto will be able to put this information to good use.

Chrysler Muscle Parts Interchange Manual, 1968-1974 Jun 16 2022 Chrysler muscle car owners and restorers will value this guide that tells

which "line" parts are interchangeable among the most popular models from the peak years of muscle car production. Among the models covered are the Charger, Road Runner, Barracuda, Challenger and Duster.

Pontiac Auto Parts Interchange Manual 1935-1952 Jan 31 2021 The part interchange manual can be used to look up NOS part numbers. It includes approximately 3000 parts descriptions with factory part numbers by make model and year for Pontiac, Chevrolet, Buick, and Oldsmobile parts by year, make, and model that are interchangeable. For example, you can also determine if different years of Pontiac used the same part or as a parts manual for your car. Covers engine parts, body parts, electrical parts, suspension parts, clutches, transmission, rear ends, steering, and more. There are even some parts listed for the early 1930's. For convenience the parts are listed in sequence by group number. Model application or interchangeable parts for each car line is shown under the respective columns. Anyone looking for or selling parts, attending swap meets or restoring an antique auto will be able to put this information to good use.

Datsun 280Z & 280ZX Feb 18 2020 Datsun's initial offerings were fairly conventional family cars, but with the introduction of the 240Z in 1969 the marque's image received a massive boost. It was a runaway success, outselling every European sports car model in the lucrative North American market. The 280Z arrived in 1975 followed by the 280ZX in 1978 and sales of the 280ZX had reached over 446,000 units by the time production came to an end in 1983. 44 international articles include road, track and comparison tests, a service guide plus full technical and performance data.

Lincoln Auto Parts Interchange Manual 1950-1965 Jul 05 2021 This parts interchange manual has been designed to help you in the purchase and identification of original equipment parts. It should save you many hours of time locating the parts you need. With this manual you will know exactly what parts from which vehicles are identical. There may be no need to pay a high price for a supposedly rare part when it may be identical to many other FOMOCO parts. This manual may not only save you money, it could be a great reference source for your restoration

project. It includes model identification, VIN tag information, engine codes, transmission identification, original factory part numbers, and for certain parts casting numbers. Only includes cars that were in production 1950 to 1965. It does not include interchanges for newer cars. The manual is broken down by the major groups listed below and each of these groups is further broken down into specific parts. For example under the body group it lists everything from bumpers to window regulators. Below are the groups and a sample of what is included in each group. - Axle group: Shafts, housing, gears, etc. - Bearing group: Pinion, wheel, etc. - Body group: Fenders, grilles, doors, bumpers, etc. - Brake group: Drums, master cylinders, shoes, etc. - Clutch group: Cover, disc, etc. - Cooling group: Radiator, water pump, etc. - Electrical group: Alternator, horn, distributor, wiper motors, etc. - Engine group: Camshaft, crankshafts, heads, manifolds, etc. (covers 6 cylinder up to the 430) - Fuel group: Carburetors, fuel pumps, tanks, etc. - Suspension group: Springs, shocks, tie rods, etc. - Transmission group: Complete transmissions, gears, shaft, etc. - Glass group: Windshield, back window, vent, door - Wheel group: Hubs Covers the models below: Lincoln: Capri, Continental, Cosmopolitan, Custom, Lido, Mark Series, Premiere Ford: 300, Country Sedan, Country Squire, Crestline, Crestliner, Crown Victoria, Custom Deluxe, Custom 500, Customline, Del Rio, Deluxe, Fairlane, Falcon, Galaxie, Mustang, Parklane, Ranchero, Ranch Wagon, Skyliner, Starliner, Squire, Thunderbird, Ltd, Mainline Mercury: Colony Park, Comer, Commuter, Custom, Cyclone, Eight, Marauder, Meteor, Montclair, Monterey, Park Lane, S-22, S-33, S-55, Turnpike Cruiser, Voyager Edsel: Citation, Corsair, Pacer, Ranger

How to Rebuild and Modify Your Manual Transmission Feb 12 2022 This resource explains how to rebuild and modify transmissions from both rear- and front-wheel-drive cars. It explains the principles behind the workings of all manual transmissions, and helps readers understand what they need to do and know to rebuild their own transmissions. Includes how to determine what parts to replace; how and why to replace certain seals, spacers, springs, forks, and other parts; and where to find (and how to measure) the specifications for each particular transmission.

Automatic Transmission Interchange Manual 1960-1972 Jun 04 2021 An automatic transmission interchange manual covering almost all makes and models of USA built cars and light trucks from 1960 thru 1972 with some going back into the 1950's and a few as new as 1974. This includes thousands of part interchanges and for many of the GM, FOMOCO, MOPAR and AMERICA MOTORS parts including many factory part numbers. Many parts interchange between different years, makes and models. For example, a part from a 68 Ford 289 may be the same as for a 68 Ford 302 or a part from a 64 Buick may be the same as a part for 65 Chevy Impala. The makes are listed below: - AMC- Buick - Cadillac- Chevrolet Car & Truck - Chrysler- Dodge Car & Truck - Ford Car & Truck- GMC - International Harvester- Lincoln - Mercury- Oldsmobile - Plymouth- Pontiac - Rambler This manual can not only save you money but can be a great resource for any restoration project. It is designed to assist in the purchase and identification of original equipment parts. It should save you many hours of time locating needed parts. With this manual you will know exactly what parts from which vehicles are identical. There may be no need to pay a high price

for a supposedly rare part when it may be identical to many other vehicles parts.

Direct Support and General Support Maintenance Manual (including Repair Parts and Special Tools Lists) Sep 19 2022

Muncie 4-Speed Transmissions Feb 24 2023 The Muncie 4-speeds, M20, M21, and M22 are some of the most popular manual transmissions ever made and continue to be incredibly popular. The Muncie was the top high-performance manual transmission GM offered in its muscle cars of the 60s and early 70s. It was installed in the Camaro, Chevelle, Buick GS, Pontiac GTO, Olds Cutlass, and many other classic cars. Many owners want to retain the original transmission in their classic cars to maintain its value. Transmission expert and veteran author Paul Cangialosi has created an indispensable reference to Muncie 4-speeds that guides you through each crucial stage of the rebuild process. Comprehensive ID information is provided, so you can positively identify the cases, shafts, and related parts. It discusses available models, parts options, and gearbox cases. Most important, it shows how to completely disassemble the gearbox, identify wear and damage, select the best parts, and complete the rebuild. It also explains how to choose the ideal gear ratio for a particular application. Various high-performance and racing setups are also shown, including essential modifications, gun drilling the shafts, cutting down the gears to remove weight, and achieving race-specific clearances. Muncie 4-speeds need rebuilding after many miles of service and extreme use. In addition, when a muscle car owner builds a high-performance engine that far exceeds stock horsepower, a stronger high-performance transmission must be built to accommodate this torque and horsepower increase. No other book goes into this much detail on the identification of the Muncie 4-speed, available parts, selection of gear ratios, and the rebuild process.

Parts Manual Oct 20 2022

How to Rebuild and Modify High-Performance Manual Transmissions Nov 21 2022 How to Rebuild and Modify High-Performance Manual Transmissions breaks down the disassembly, inspection, modification/upgrade, and rebuilding process into detailed yet easy-to-follow steps consistent with our other Workbench series books. The latest techniques and insider tips are revealed, so an enthusiast can quickly perform a

tear-down, identify worn parts, select the best components, and successfully assemble a high-performance transmission. Transmission expert and designer Paul Cangialosi shares his proven rebuilding methods, insight, and 27 years of knowledge in the transmission industry. He guides you through the rebuilding process for most major high-performance transmissions, including BorgWarner T10 and super T10, GM/Muncie, Ford Toploader, and Tremec T5. This new edition also contains a complete step-by-step rebuild of the Chrysler A833 transmission.

Corvette, 1968-1982 : Parts Interchange Manual Apr 14 2022 Improve your odds of finding the part you need at a salvage yard or swap meet! This information-packed manual tells you which parts from 1968-1981 Corvettes, as well as which parts from other 1968-1982 Chevrolet models, fit your car. Full listings of all the interchangeable "line" parts for 1968-1982 Corvettes, plus chapters on engines, fuel systems, oil and cooling systems, exhaust systems, transmissions and drivelines, steering and suspension, brakes, and more make this a perfect resource.
