The Art of Love Poetry Nov 26 2020 Love begets poetry; poetry begets love. So thinkers from Plato onwards have claimed; and even today, when poetry has largely disappeared from the mainstream of popular culture, it is still commonly considered the most seductive of all forms of art. But why should this be? What are the connections between poetry and love that lead us to associate them so strongly with one another? In this study Erik Gray draws on a broad range of Western thought and poetry to reveal the qualities and structures that love and poetry share. Above all, he argues, both are founded on paradox. Love is at once necessarily public (because interpersonal) and intensely private; hence love both requires expression and resists it. Likewise the experience of love is simultaneously surprising and familiar, singular and conventional. In poetry, especially lyric poetry - which is similarly both dependent on and resistant to language, both exceptionally regular and exceptionally irregular - love finds a natural outlet. The Art of Love Poetry illuminates many of the recurrent tropes that poets across the centuries have employed to represent and express love, exploring such topics as the poetic kiss, the lyric of conjugal love, and the role of animals in love poetry. In describing the inherent erotics of poetry, it offers new insights not only into the long tradition of love lyric but into the nature of love itself.

The Dark Story of Eminem Jan 29 2021 The Dark Story of Eminem is the best-selling, ground-breaking biography of Marshall Mathers, tracing his fierce rise from the schools and factories of Detroit to global superstardom – Now updated to investigate the violent death of his best friend Proof, his debilitating drug addiction, four-year disappearance from the public view and his triumphant comeback album Recovery. In researching this phenomenal story, Nick Hasted spent much time in Detroit, tracking down friends and foes of Marshall Mathers. In racially-divided Detroit the future rapper experienced first-hand the social conflicts that would fuel his later radicalism. From the depths of being a suicidal no-hoper, he triumphed against his class and triumphed against prejudice; despite being continually reviled, sued and criticised, Marshall Mathers forged his way to becoming a defining cultural force of the early millennium. This unflinching portrait also lays bare Eminem's relationships with his much-hated mother, his teenage soul-mate Kim Scott, his mentors Dr. Dre and The Bass Brothers, and his own protégé 50 Cent. Never before has a book delved so deep an poignantly into this troubled figure. “A serious and even handed account.” – Q magazine “This is the best of a sudden flurry of biographies charting the rise of this brilliant, troubled Detroit rapper.” – Daily Telegraph

Post-Unification Turkish German Cinema Sep 05 2021 This book offers a post-representational approach to a range of fiction and non-fiction films that deal with labour migration from Turkey to Germany. Engaging with materialist philosophies of process, it offers analyses of films by Thomas Arslan, Christian Petzold, Aysun Bademsoy, Seyhan Derin, Harun Farocki, Yüksel Yavuz and Feo Aladag. Shifting the focus from the longstanding concerns of integration, identity and cultural conflict, Gozde Naiboglu shows that these films offer new expressions of lived experience under late capitalism through themes of work, social reproduction, unemployment and insecure work, exhaustion and precarity, thereby calling for a rethinking of the established ideas of class, community and identity.

Bloody Zion Apr 12 2022 Jesus told Pontius Pilate: "My kingdom is not of this world." John 18:36. God has a spiritual Zion that is in a heavenly Jerusalem. Hebrews 12:22; Revelation 21:10. Jesus Christ is the chief corner stone laid by God in Zion. 1 Peter 2:6. Those who believe in Jesus Christ are living stones in the spiritual house of God. 1 Peter 2:5; Ephesians 2:20-22. Believers are in Jesus and Jesus is in believers. John 14:20; 17:20-23. All who are elected by God to believe in Jesus Christ are part of the heavenly Zion, without regard to whether they are Jews or Gentiles. Romans 10:12. Satan is a great adversary of God, who has created his own mystery religions. During the Babylonian captivity (2 Chronicles 36:20), an occult society of Jews replaced God's commands with Satan's Babylonian dogma. Their new religion became Judaism. Jesus explained the corruption of the Judaic religion: "Howbeit in vain do they worship me, teaching for doctrines the commandments of men." Mark 7:7. Jesus revealed the Satanic origin of Judaism when he stated: "Ye are of your father the devil, and the lusts of your father ye will do." John 8:44. Babylonian Judaism remains the religion of the Jews today. Satan has infected many nominal "Christian" denominations with his Babylonian occultism, which has given rise to "Christian" Zionism. "Christian" Zionism advocates a counterfeit, earthly Zion, within which fleshly Jews take primacy over the spiritual church of Jesus Christ. This book exposes "Christian" Zionism as a false gospel and subversive political movement that sustains Israel's war against God and man.

Christian Controversies Jun 14 2022 "The Greatest is Love." God wants us to love our neighbors. If this is the premise of being Christian, then why do thousands of denominations claim to be the "right and true" one, implying that all others are false? The author searches for truth and explores real world issues concerning Christians throughout history and today, and the future of Christianity in this ever-changing world. Join the author as he challenges you to think outside of your comfort zone and questions what you might have been told not to question about the Word of God. This book contains many facts and true stories, some you might recognize and some from the author's own life, as he logically discusses controversial subjects such as a Perfect Bible, sex, lying, killing, ethics, Christian leadership, Bible-thumping judgment, and women's rights. It is well documented and written in easy-to-understand language to arm you with the knowledge you need to discuss Scripture in an educated and meaningful way, and to develop a real-world perspective of Christianity; a must-read for all who profess to be Christian!
