This book offers the tools to craft a strong resume that stands out and will lead to interviews and job offers. Up-to-date, professional resume-writing advice details the essential components of successful resumes and cover letters for any profession or background. Includes a variety of resume formats, tips on highlighting strengths and using active vocabulary, and helpful work sheets for gathering personal information. Write Powerful Letters That Win Over Your Future Employer! Even the best resume can fall flat if it is accompanied by an ineffective cover letter. With this invaluable book, you'll learn how to write cover letters that jump out from the pile and grab the employer's attention. Written by an award-winning columnist at the National Business Employment Weekly, today's leading career resource, it's packed with practical tips and psychological insights that will help set you apart from the competition and win you an interview. Starting with the basic elements of the cover letter, you'll get expert advice on how to customize letters for responding to a want ad, contacting an executive search firm, or reaching out to target companies—with plenty of sample letters from successful job hunters. Special chapters cover the unique problems of first-time job seekers, women returning to the work force, career changers, and seasoned professionals—including information that will show you how to turn apparent liabilities into assets. You'll learn: What three elements must be included in an effective cover letter How to read between the lines of a want ad to discover what they really want When thank-you notes are necessary (always) and how to write one that makes you the top candidate instead of a runner-up How to write a follow-up letter when you haven't heard from an employer What a "broadcast letter" is and why it can be the best choice How to mount an effective direct mail campaign without "papering the world" Don't let a weak cover letter short-circuit your chances. This valuable guide will show you how to create powerful job-search letters that will put you in the job you want. In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality. Gratitude and happiness go hand-in-hand -- and The Thank-You Project provides an easy-to-follow approach for creating more of both. Who helped you become the person you are today? As Nancy Davis Kho approached a milestone birthday, she decided to answer that question by sending thank-you letters to the many people who had influenced her, helped her, and inspired her over the years: family, friends, mentors, teachers, co-workers, even a couple of former friends and exes. While her recipients always seemed genuinely pleased to read the letters, what Nancy never expected was the profound and positive effect the process would have on her. As it turns out, emerging research proves that actively appreciating the formative people in your life, past and present, can lead to a lasting increase in your happiness levels--and The Thank-you Project offers a charming, entertaining roadmap to see, say and savor your way there. "My love story all started with a letter. Only it wasn't from the man I'd eventually fall in love with. It was from his daughter. A sweet little girl named Birdie Maxwell who'd written to the magazine that I worked for. You see, once a year my employer fulfilled a few wishes for readers. Only that column didn't start up again for months. So I fulfilled some of her wishes myself. It was harmless, so I thought. Until one day I took things too far."-- Provided by publisher. Murals painted for viewing from the Market-Frankford El along the stretch of track running through West Philadelphia, Pa. This practical, reader-friendly textbook for preservice and in-service early childhood education and early literacy courses provides "how-to-do-it" instructions for promoting emergent literacy in reading, writing, and arithmetic from preschool into the primary grades. Early 3 Rs answers the question: "What can I SAY and DO to give each child the best possible start on the 3 Rs?" With the strategies and materials in this book, a teacher can give personalized direct instruction in the 3 Rs to a beginner, in just a few minutes a day. The early chapters tell how to prepare a young child for reading, writing, and arithmetic. Subsequent chapters show how to give a beginner an early start on learning the 3 Rs. All strategies begin with the oral approach (from phonemic awareness to "arithme-talk") and then progress to print that is personally meaningful to a young child. Early 3 Rs: \* Includes arithmetic as a component of early literacy. \* Gives developmentally appropriate methods for direct teaching of the 3 Rs. \* Provides scripts of what the teacher can say to promote early learning. \* Helps education students in field-based classes offer personalized instruction. Early 3 Rs is written to be very reader friendly: the approach is intentionally eclectic; the writing deliberately avoids heavy theory; the goal is to provide an easy-to-use, highly practical and accessible guide for those who work in early childhood education settings. Learn how to write the perfect thank-you note. More Letters of Note is another rich and inspiring collection, which reminds us that much of what matters in our lives finds its way into our letters. These letters deliver the same mix of the heartfelt, the historically significant, the tragic, the comic and the unexpected. Discover Richard Burton's farewell note to Elizabeth Taylor, Helen Keller's letter to The New York Symphony Orchestra about 'hearing' their concert through her fingers, the final missives from a doomed Japan Airlines flight in 1985, David Bowie's response to his first piece of fan mail from America and even Albus Dumbledore writing to a reader applying for the position of Defence Against the Dark Arts Professor at Hogwarts. Including letters from: Jane Austen, Richard Burton, Helen Keller, Alan Turing, Albus Dumbledore, Eleanor Roosevelt, Henry James, Sylvia Plath, John Lennon, Gerald Durrell, Janis Joplin, Wolfgang Amadeus Mozart, Janis Joplin, Hunter S. Thompson, C. G. Jung, Katherine Mansfield, Marge Simpson, David Bowie, Dorothy Parker, Buckminster Fuller, Beatrix Potter, Che Guevara, Evelyn Waugh, Charlotte Brontë and many more. The go-to resource for creative ideas and helpful tips for writing thank you notes, addressing envelopes, cover letters, and everything in between, from the creators of Sugar Paper Feeling like sending a little love in the mail but not sure how to get started? Along with letter-writing golden rules, How to Write a Letter will make it easier to: • select the perfect stationery for any occasion • find the best salutation and sign off • choose the right words for any situation, from congratulations to condolences • properly address an envelope in style With this book, you'll discover how hand-writing your thoughts and feelings has the magic to turn a card, letter, or even scrap of paper into a treasure. You are so young. You may wonder what an old man like me could teach? I wonder as well. I certainly don't claim to know all the answers. I'm barely figuring out the questions....Life has a strange way of repeating itself and I want my experience to help you. I want to make a difference. My hope is that you'll consider my words and remember my heart. Harry Whitney is dying. And in the process, he's losing his mind. Afflicted with Alzheimer's disease, he knows his "good" time is dwindling. Wishing to be remembered as more than an ailing old man, Harry realizes the greatest gift he can pass on is the wisdom of his years, the jumbled mix of experiences and emotions that add up to a life. And so he compiles a book of his poems for his favorite granddaughter, Emily, in the hope that his words might somehow heal the tenuous relationships in a family that is falling apart. But Harry's poems contain much more than meets the eye....As Emily and her family discover, intricate messages are hidden in them, clues and riddles that lead to an extraordinary cache of letters, and even a promise of hidden gold. Are they the ramblings of a man losing touch with reality? Or has Harry given them a gift more valuable than any of them could have guessed? As Harry's secrets are uncovered one by one, his family learns about romance, compassion, and hope -- and together they set out to search for something priceless, a shining prize to treasure forever. They may grow closer in spirit or be torn apart by greed...but their lives will be undeniably altered by Harry's words in his letters for Emily. With combined career sales of twelve million books, the two most revered and trusted names in Christian finance—Ron Blue and the late Larry Burkett—offer the ultimate book about how to build a solid financial future as retirement approaches. Your Money after the Big 5-0 equips readers with the knowledge, financial tools, and wisdom needed to ensure their fiscal well-being in the second half of life. By following Burkett and Blue's definitive direction, we learn to build a portfolio that provides for our family, honors God, and better positions us to bless the generations that follow with a legacy of stewardship and resources. The founder of The World Needs More Love Letters, who has dedicated her life to showing total strangers that they are not alone in the world, reveals how she rediscovered her faith through her attempt to bring love into the world. The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it. A Wall Street Journal Bestseller Accelerate your job search, stand out, and land your next great opportunity In Get Hired Now!, ZipRecruiter founder and CEO Ian Siegel tells you exactly how to find a new job fast. With an insider's view of how over a million employers really make hires, Ian pulls insights from the data to give you step-by-step instructions for writing a resume that works, finding the right jobs to apply to, acing a job interview, and negotiating a job offer. Debunk the conventional wisdom Break the unconscious habits that are sabotaging your success Get hired in record time Relevant for every stage of your career and for every industry, Get Hired Now! is a one-stop resource for job seekers looking to level up, stand out, and land the job. Why are so many people unhappy on-the-job? . As many as 7 out of 10 Americans are currently dissatisfied with their careers. . Expensive college degrees are seen by our society as a requirement to enter the American workforce. Yet, many students fail to graduate with the skills and knowledge necessary to embark on a satisfying career path. The result is an unprepared individual, saddled with debt, and frustrated with a system that has left them hanging with respect to making good career decisions. . The concept of work-life balance continues to elude our society as thousands of workers complain of 'living to work' instead of 'working to live.' It's no secret that career satisfaction eludes much of the American working population, but what's worse is the lack of resources and coaching to help today's employee find the career satisfaction they seek. In this innovative, step-by-step guide, workplace expert, professional development specialist, and nationally syndicated career advice columnist, J.T. O'Donnell (www.jtodonnell.com) unlocks the secrets to working smarter when it comes to creating a career you can get excited about. With more than 15 years experience, having coached thousands of individuals, O'Donnell will show you how to develop an authentic definition of professional success that will get you results. Here's what readers have to say: Her strategic approach really helped me flesh out what traits and experience I brought to the table for a potential employer in a different field. Her methods, encouragement and continued support have led me to find the right career path.- Helen D. I hated my job, wanted out, and didn't know where to begin. I had a decision to make: I could continue on the track to working my 9-5 job in front of a desk and let it define me and make me miserable, or look for something different. J.T. showed me that it's not your job that defines you at all; it's you who defines your job. She worked with me to figure out my strengths and work on my weaknesses. J.T. helped me learn that who I am is far more than the paycheck I bring in. Through that exploration of my own real desires, J.T. helped

me to realize that I needed a far more creative outlet to be successful in. I can truly say that without J.T.'s help, I certainly would not be where I am today. I'm more aware of my life and the people in it...I absolutely love my job and really feel successful. I owe an immense amount of gratitude to J.T. for getting me to this place in my life. - Danielle H. The information in this book is so on target, I wish I'd found it earlier in my career. I can't begin to express what it is like to have finally found not just the reasons, but the solutions, to my past career disappointments.- John T. Letters that were found in a small cedar chest Mom saved that Dad wrote when he was in WWII. From 1942-1946 these letters tell interesting war stories & facts and a love story like no other. Dad wrote to Mom every moment that he could. Every breath & every step he took was for her. Dad was a "trailblazer" and fought on the front line in France and Germany. He was a radio man and was in charge of managing the location of his troop. This story will make you laugh and certainly make you cry. It is a truly amazing story! A great cover letter is Written to a target job So intriguing that a reader makes room in a busy schedule to meet you An electrifying personal advertising tool that short-circuits the competition A great cover letter is not Bland and indifferent Littered with dry facts What the hiring manager's kid uses as scratch paper Your cover letter should spark the reader's interest as a dynamic introduction to your resume. This is your chance to personalize your resume. Here's where you make yourself into a living, breathing human being and set your accomplishments aglow. How do you achieve this? You'll figure out how your letter should look and sound, with tips on language, content, and image. You'll get ideas for writing a dazzling opening line. And you'll work through a checklist to make sure that the best of you lives in your cover letter. What's more, you'll Explore the changing rules in the workplace and how they impact the way you find work Identify where your skills fit in today's workplace through a number of self-assessment worksheets Sum up surefire tips for working with recruiters, answering job ads, avoiding the salary question, handling negative references, and creating letters that even a computer can love See examples of successful cover letters, from which you can model your own. Each is a candidate for reformulation as an e-mail cover letter. A well-written cover letter can make your ideal job a reality. So get this book and start writing. "Resumes for Banking and Financial Careers" offers the tools to craft a strong resume that stands out and will lead to interviews and job offers. Up-to-date, professional resume-writing advice details the essential components of successful resumes and cover letters for careers in banking and finance. Includes a variety of resume formats, tips on highlighting strengths and using active vocabulary, and helpful work sheets for gathering personal information. A blueprint for doing clinical work in field experience, Field Experience: Transitioning from Student to Professional aids students in developing their professional identity on their journey toward becoming a counselor. Authors Naijian Zhang and Richard D. Parsons help students integrate the knowledge they learn across the curriculum by presenting a roadmap of how to start, navigate, and finish a practicum or internship. Throughout the book, coverage of CACREP standards, case illustrations, exercises, and real-life examples create an accessible overview of the entire transitioning process. Field Experience is part of the SAGE Counseling and Professional Identity Series, which targets specific competencies identified by CACREP (Council for Accreditation of Counseling and Related Programs). "In this definitive guide to the ever-changing modern workplace, Kathryn Minshew and Alexandra Cavoulacos, the co-founders of popular career website TheMuse.com, show how to play the game by the New Rules. The Muse is known for sharp, relevant, and get-to-the-point advice on how to figure out exactly what your values and your skills are and how they best play out in the marketplace. Now Kathryn and Alex have gathered all of that advice and more in The New Rules of Work. Through quick exercises and structured tips, the authors will guide you as you sort through your countless options; communicate who you are and why you are valuable; and stand out from the crowd. The New Rules of Work shows how to choose a perfect career path, land the best job, and wake up feeling excited to go to work every day-- whether you are starting out in your career, looking to move ahead, navigating a mid-career shift, or anywhere in between"-- A heartwarming memoir of love and faith from Hannah Brencher—founder of The World Needs More Love Letters—who has dedicated her life to showing total strangers that they are not alone in the world. Fresh out of college, Hannah Brencher moved to New York ready to change the world. Instead, she found a city full of people who knew where they were going and what they were doing and didn't have time for a girl still trying to figure it all out. Lonely and depressed, she noticed a woman who looked like she felt the same way on the subway. Hannah did something strange—she wrote the woman a letter. She folded it, scribbled "If you find this letter, it's for you..." on the front and left it behind. When she realized that it made her feel better, she started writing and leaving love notes all over the city—in doctor's offices, in coat pockets, in library books, in bathroom stalls. Feeling crushed within a culture that only felt like connecting on a screen, she poured her heart out to complete strangers. She found solace in the idea that her words might brighten someone's day. Hannah's project took on a life of its own when she made an offer on her blog: She would handwrite a note and mail it to anyone who wanted one. Overnight, her inbox exploded with requests from people all over the world. Nearly 400 handwritten letters later, she started the website, The World Needs More Love Letters, which quickly grew. There is something about receiving a handwritten note that is so powerful in today's digital era. If You Find This Letter chronicles Hannah's attempts to bring more love into the world—and shows how she rediscovered her faith through the movement she started. The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction. Celebrate gratitude and simple ways of brightening others' days with this sweet, brightly illustrated story about a girl's letters. . . . and her town's overwhelming response. After a wonderful party, birthday girl Grace sits down to thank her friends and family for all their kind gifts. But she doesn't stop there-- as she writes, Grace realizes there are so many things to be grateful for! So she thanks her teacher for helping her learn to write. She thanks her dog for his cheerful wagging tail. She even thanks the sky for being perfectly, beautifully blue. The Thank You Letter is perfect for starting conversations about gratitude-- both for tangible gifts and for the little things we don't always stop to appreciate. The sweet story encourages young readers to focus on positivity and share it-- to write letters of their own to family, friends, and loved ones and share their joys. For everyone who wants to encourage children to write thank you notes for gifts, and for everyone searching for new ways to connect with distant loved ones, The Thank You Letter is a perfect model for expressing gratitude-- and showcases the joyful response a simple gesture can create. When Grace returns home after delivering her notes, she finds a wealth of affection--cards, letters, and notes from her neighbors and friends, expressing their love for Grace and appreciation for her letters. A beautifully illustrated gatefold page shows how deeply her letters have touched the hearts of everyone around them, and Beloved storyteller and illustrator Jane Cabrera's vivid and textured acrylic paintings are filled with joyful cuteness and warmth. Collage elements, including patterns from the inside of envelopes, smartly add to the epistolary theme. This delightful celebration of mindful thankfulness and community togetherness is perfect for curling up in a cozy spot and sharing one-on-one. Written in an informal and engaging style, Saving the Earth as a Career is an ideal resource for students and professionals pursuing a career in conservation. The book explores the major skills needed to become an effective conservation professional by offering useful advice on a range of topics. Chapters include: Is this the right career for you? Designing a program of study Designing and executing a project Attending conferences and making presentations Writing papers Finding a job Making a difference Saving the Earth as a Career 2e is a friendly, accessible guide with a global perspective for anyone interested in becoming a conservation or environmental professional, and teachers will find this an invaluable resource for university students at all levels. Writing is an important skill that kids use almost every day. The goal of the Write it Right series is to make kids writing experts. Writing a Thank-You Letter is full of tips and tricks to help kids craft a superb thank-you letter, from organizing their thoughts to addressing an envelope This book includes a table of contents, glossary, index, author biography, activities, and instructions. This 240-page workbook is a highly effective, no nonsense, self-marketing instrument to facilitate and manage the entire job-search campaign. Contained in its pages are all the tools and information necessary to help your terminated employee win and keep their next job. Whether or not you provide Outplacement support to your separated employees, our workbook would be an excellent tool to augment their job search. It provides a complete resource to help the discharged worker achieve and keep their next position. FINDING A JOB IS HARD WORK. It has been estimated that as many as one out of every three workers attempts to change jobs annually in the United States. Out of a labor force of 153 million, that represents almost 50,000,000 job seekers who are seeking new employment each year. As a result, the job search process is highly competitive at all levels. It can be lengthy, frustrating, prejudicial, and unfair. Older, more traditional job finding techniques have become less productive. The traditional resume no longer has the same impact in generating the all important and often elusive interview. Both the Wall Street Journal and USA TODAY have highlighted the fact that only about 15% of all professionals find a new position through responding to published advertisements or online postings, another 10% through placement agencies or search firms, and only 5% through unsolicited direct mail. Why then, would anyone focus 90% of their time and effort in areas that represent only about 30% of all potential opportunities? It is not uncommon for 200-300 people to respond to help wanted advertisements. Yet seldom do more than 6 to 10 people achieve interviews, and after an often lengthy process, only one person gets the job. Everyone else starts the whole process again. Older Americans, women, and minorities can often face an even more difficult road due to unspoken, but ever-present biases. There is a better way. Tomorrow Is Today dispels the myth that the most qualified candidate always gets the job. It points out that the person who is hired is usually the one who is liked the best. This book can be a major factor in how you differentiate yourself from other candidates when the hiring decision is almost always based upon subjective factors such as the individual's personality style, body language, and manner of being interviewed. It is an invaluable resource in helping you to achieve your next position with added features that assist in effectively managing both career growth and family issues. 365 DAYS. TWO WORDS. ONE MIRACULOUS TRUE STORY. One recent December, at age 53, John Kralik found his life at a terrible, frightening low. All aspects of his life seemed to be failing: his relationships with his children and partner, his work, his health. Then, hiking on New Year's Day, John was struck by the thought that his life might become at least tolerable if he could be grateful for what he had. Inspired by a beautiful, simple note he had received thanking him for a Christmas gift, John set himself the goal of writing 365 thank-you notes in the coming year. One by one, day after day, he handwrote thank yous for gifts or kindnesses he'd received, large and small, from loved ones and coworkers, past business associates and current foes, school friends and doctors and handymen and neighbours, and anyone, really, who'd done him a good turn. Immediately after he'd sent his very first notes, surprising benefits began to come John's way. Over the year John was writing his notes, his whole life turned around. 365 Thank You is a rare memoir, its touching message delivered in the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a good life. To read 365 Thank You is to be changed. A criticism of Christianity from the secularist point of view. Offers strong, impressive resumes that lead to the right job To stand out among the hundreds of job seekers applying for any position, it's vital to have a resume that hits the target every time. Each book in this series offers: Nearly 100 sample resumes and 20 cover letters for each field A variety of eye-catching resume formats Tips on highlighting strengths and using active vocabulary Work sheets for gathering personal information And much more
