Could the end of your marriage be the first step toward reclaiming your personal power and joyfully living the life of your dreams? If the answer is yes, this book is for you. Divorce rocks the very foundation of our beings, leaving us feeling lonely, flawed, enraged, undesirable, hopeless, and empty. In Spiritual Divorce, New York Times bestselling author Debbie Ford reveals how this devastation can be transformed into a profoundly enlightening experience. This empowering guide shows how the collapse of a marriage is, at root, a spiritual wake-up call, an opportunity to liberate ourselves and reclaim our lives. The end of a relationship—no matter who ends it—is a damaging moment. Ford offers a clear program for turning ruin into renewal. Growing up in a divorced family leads to a variety of difficulties for adult offspring

in their own partnerships. One of the best known and most powerful is the divorce cycle, the transmission of divorce from one generation to the next. This book examines how the divorce cycle has transformed family life in contemporary America by drawing on two national data sets. Compared to people from intact families, the children of divorce are more likely to marry as teenagers, but less likely to wed overall, more likely to marry people from divorced families, more likely to dissolve second and third marriages, and less likely to marry their live-in partners. Yet some of the adverse consequences of parental divorce have abated even as divorce itself proliferated and became more socially accepted. Taken together, these findings show how parental divorce is a strong force in people's lives and society as a whole. The big 3 in 1 book about divorce. Book 1: Even if you're not on the brink of divorce, this counsel can still be applicable and useful to you and your spouse. Read about the 7 things that kill marriage relationships. Read about the symptoms, possible solutions, and a general sense of making it work! In this book you'll find, among others: Ways to communicate better Tips to renew your affection Discussing money matters with your spouse The hardest things to keep up in a marriage relationship Help to prevent divorce or breaking up Book 2: In this day and age, so many are afraid of a divorce. Yes, the stats do not lie. There are many divorces, but there are so many more happy marriages that are intact and healthy. In this book, you do not just get the 10 signs that show you that you have nothing to worry about. To prevent divorce, specific advice is given to be aware of negative signs, to seek out solutions, and to not buy into the myths of marriage that exist in the world today. You will read, among others: Five false concepts of marriage you should not believe. Ways you might be destroying your marriage without knowing it. How to invest into your relationship. Words of advice from a married person, and what to look for in a counselor. Long-lost secrets to a lasting, permanent marriage relationship. An elaborate analysis about the link between toxic people and personality disorders. The 10 signs that your spouse will stay with you and you have nothing to be concerned about. Book 3: Divorce is a literal trauma. Experience has shown that almost nothing will impact a person as much as a the bitter end of a broken commitment from a previous loving partner. Divorce is harsh, and those who are confronted by it, learn the lesson that this life has its losses and severe difficulties. But there is no need for despair. Recovery from divorce is possible, as many have shown by their dedicated determination to follow the healing path. In this book, therefore, you will read about steps like: Making small changes and grieving over the loss. Casting aside denial, lies, and myths. How to best deal with loneliness, aloneness, and your new freedoms and independence. Words of advice from a married person, and what to look for in a counselor. Making plans, and finding support and new activities. Getting back on the path

to self-discovery, exploration of the unknown, and creative ways to increase your life's happiness despite of the past's wounds and broken relationships. Curious yet? Then don't wait and start reading. I will see you in the first chapter! Arise and Soar is a call to action for the man or woman who is either divorced or going through one. Twila knows what it is like to feel bad about the decision to end a marriage she once thought would be "Happily Ever After." The very topic of divorce is taboo in the church, yet it happens at an alarming rate, which is higher than the occurrences in the "world." For years after her divorce, Twila wallowed in self-blame, shame, and what-ifs until she decided to take her life back. On the pages of this book, she encourages you to do the same. Life is short yet full of possibilities. You must choose to live life abundantly. No one else can do that for you. Arise and Soar educates, empowers, and encourages you to forgive yourself for divorcing your spouse. God gave Twila an assignment: to inspire and inform you. Know that you are worthy and have value, purpose, and a bright future. That marriage was just a chapter in the phenomenal book called "Your Life." Arise and Soar! Your best is yet to come! Beyond the Average Divorce provides marriage and family scholars and students a rich depiction of how children and adults of all ages respond to diverse divorce experiences. Rather than emphasizing means and averages in looking at "typical" family reactions to divorce, authors David H. Demo and Mark A. Fine emphasize variability and change over time in the pre-divorce, divorce, and post-divorce process. The book's three parts explore theoretical and methodological tools for studying divorce, the divorce process and its multiple pathways, and future directions in research. Key Features Includes cutting-edge research on how children are affected by multiple transitions in family structure and parenting arrangements during the divorce process Covers the most common causes of divorce and how the family environment deteriorates during the years leading up to divorce Provides easy-to-understand descriptions and examples of how specific research methods can be used to study divorce Offers a dynamic theoretical model of divorce and how it is experienced by family members in a wide variety of family situations Discusses policy implications as well as directions for future theoretical, research, and clinical work in this vital area Beyond the Average Divorce is intended as a core textbook for use in upper-level undergraduate or graduate courses in Family Stress and Divorce, Dysfunctional Families, Sociology of the Family, and Couples, Marriage, and Family Counseling. Providing accurate and objective information to help make the right decisions during a divorce in New York, this guide provides answers to 360 queries such as What is the mediation process in New York and is it required? How quickly can one get a divorce? Who decides who gets the cars, the pets, and the house? What actions might influence child custody? How are bills divided and paid during the divorce? How much will a divorce cost? and Will a spouse have to pay some or all attorney fees? Structured in a question-and-answer format, this divorce handbook provides clear and concise responses to help build confidence and give the peace of mind needed to meet the challenges of a divorce proceeding. Restore your faith in love and

build healthy, successful relationships with this essential guide for every woman haunted by her parents' divorce. Silver Medal Independent Publisher's Award Winner of the Best Book Award in "Self-Help: Relationships" Over 40 percent of Americans ages eighteen to forty are children of divorce. Yet women with divorced parents are more than twice as likely than men to get divorced themselves and struggle in romantic relationships. In this powerful, uplifting guide, mother-daughter team Terry and Tracy draws on thirty years of clinical practice and interviews with over 320 daughters of divorce to help you recognize and overcome the unique emotional issues that parental separation creates so you can build the happy, long-lasting relationships you deserve. Learn how to: Examine your parents' breakup from an adult perspective Heal the wounds of the past Recognize destructive dynamics in intimate relationships and take steps to change them Trust yourself and others by embracing vulnerability Create strong partnerships with their proven Seven Steps to a Successful Relationship Break the divorce legacy once and for all! A teenage brother and sister whose parents are divorced discuss topics relating to this situation, and their mother offers her own insights. Original. During divorce, children are often dragged into the fray, becoming innocent casualties. Although research has shown that a child's development depends on the parents' ability to protect their child from conflict, many couples fight indignantly over custody and visitation right... A teenage brother and sister whose parents are divorced discuss topics relating to this situation, respond to letters from other children, and offer tips based on their experience. Includes insights from their mother. "Dr. Fredrika is a powerful, authentic, and sincere author who truly cares about making a difference in the lives of her readers. How to Separate and Divorce as a Christian is an invaluable resource which will help anyone who finds themselves in the challenging transition process of ending a covenant relationship. Having been through the process herself, Dr. Fredrika takes a very interactive, supportive, scripturally-based approach to helping you with all the major aspects of rebuilding your life after dissolution. The rest of your life is the best of your life, and this book helps you manifest that reality."-Delatorro McNeal, best selling author of Caught Between a Dream and a Job. This book is for you if you are a Christian who: [Is facing separation or divorce after having tried everything to save your marriage and is in need of practical and spiritual advice to maneuver through the divorce process [Knew what to do during your marriage but didn't do it and is now facing separation or divorce [Loves God, is well-meaning towards your spouse and yet you are contemplating whether to separate or divorce This book does NOT: [Promote or endorse divorce over the sanctity of marriage [Condemn Christians who are facing separation or divorce Now is the time to learn how to: [Hear from God when making decisions about you and your children's lives [Let God teach you how to run your life rather than let your life run you [Protect you and your children [Arm yourself with 10 powerful spiritual weapons [Encourage yourself even when you make mistakes Dr. Fredrika wrote this book from a desire to share with others information and strategies God shared with her when she

found herself in a highly contentious divorce. This is a no-nonsense book about getting through a divorce as painlessly as possible, bursting with practical examples and real-life experience. Written with personal insight, this is an easy to follow guide on how to survive divorce. The authors share their observations of separation, divorce and then life after, in a simple and engaging way. Written in a witty and easy style, with humorous illustrations, the author takes a practical no-nonsense look at what is almost always a very difficult and emotional situation. The message is, hang in there and there will be light and life at the end of the journey. Written with real empathy and understanding, it helps the reader digest and compare with their journey. The Essential Guide to Divorce also offers an easy to follow template of dos and don'ts, with lots of thoughtful and practical advice, hints and tips. Deliberately designed in small, easy to follow, chapters, that the reader can pick up and put down, the book aims to help them through the difficult journey as quickly and painlessly as possible. More than 40 men and women confided their own experiences and personal "journey" making The Essential Guide to Divorce: What you really need to hear a truly different book, full of real examples and real outcomes. The authors, Sam Allen and Leanne Holdgate, are two straight-talking northern women in their forties who found themselves left to bring up their respective children alone after twenty years of marriage. Sam lives with her three children, and Leanne has a family of five. Blessed with a matter-of-fact approach and a good sense of humour, even if it is a little black, they wrote this book to share the knowledge they gained and to give the help to others that they could not find when they need to make sense of their divorces. What sort of contract is marriage? What does it offer the parties? What are the difficulties of enforcement, and the result of failed effective enforcement? This book takes an economic approach to marriage and divorce, considering the key role of 'incentives' in family law: it highlights the possible adverse consequences emanating from faulty legal design, while demonstrating that good family law should provide incentives for consistent and honest behavior. Economists, specialists in the economic analysis of law, and academic lawyers discuss recent advances in specialist work on marriage, cohabitation, and divorce. Chapters are grouped around four topics: the contractual perspectives on marriage commitment; the regulatory framework surrounding divorce; bargaining and commitment issues relating to marriage and near-marriage arrangements; and finally empirical work, which focuses on the impact of more liberal divorce laws. This important new study will be of considerable interest to lawyers, policy-makers and economists concerned with family law. Excerpt from The Law of Marriage and Divorce: As Established in England and the United States Every effort has been made to render the discussions in this volume complete, and the points discussed accessible. Besides the table of contents and the index, numerous cross-references in each section knit the whole work together. In this volume all matters relating to the Formation and Dissolution of Marriage are discussed; in another, the author will treat of Marriage itself - the Relation of Husband and Wife. About the Publisher Forgotten Books publishes

hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. A recognized authority on youth ministry explores from a theological and spiritual standpoint the baffling sense of loss of self experienced by children of divorce. A Divorcee's Empirical (and Slightly Irreverent) "What's Next" Guide to Life after Marriage Just about everything about divorce sucks. It sucks away your time, your money, and occasionally your will to live. We know. We've been there. We've both been divorced and are now remarried . . . to each other. F*ck Divorce is not a book about divorcing (which stinks); it is a book about putting the pieces back together afterward (which doesn't have to). Using the latest scientific research, a bit of tough love, and a highly questionable sense of humor, psychologists and relationship scientists Erica Slotter, PhD, and Patrick Markey, PhD, will teach you how to navigate your post-divorce relationships with yourself, kids, and even your slug-breath ex-spouse. They'll hold your hand as you navigate the complicated, exciting, and sometimes terrifying world of dating and sex as a born-again singleton and be by your side as you (hopefully) find your way to new love. Learn: Self-Care in the Post-Divorce Haze How to Rediscover the Newly Single You The Importance of Being Nice(ish) to Your Ex How to Help Your Kids Through the Sh*tstorm How to Survive the Awkwardness of First Dates . . . Again Navigating Your Newfound Sexy Time Divorce-Proofing: Keeping Marriage 2.0, or 3.0, Together So, welcome to the world of being newly unwed. It's good, bad, and ridiculous, and sometimes your blind date smells like soup. Pull up a chair, pour yourself a drink (or three), and let's do this sh*t. When Man Puts Asunder was written to answer many questions which today's believer has regarding divorce and remarriage. The author avoids citing other works and relies almost exclusively on the Word of God. This work biblically defines divorce and seeks to answer the pressing question of whether the Word of God permits remarriage after divorce as well as the pastor and churches obligation towards this issue. Offers guidance in coping with the emotional stages of divorce as well as examining the shortcomings of the present system and suggesting reform measures Using the heuristic methodology under the aegis of qualitative research, eight co-researchers were asked the question: What is your experience of being divorced? Data was collected through in-depth interviews and self-dialogue. From the data, Individual Portraits of each of the co-researchers were created. A Composite Portrait of the co-researcher's and the author's experience was presented along with findings that captured the divorce experience of these men and the author. Under the concepts of tacit dimension, intuition and self-searching, a Creative Synthesis sharing the personal essences of the divorce experience was presented.

Findings were grouped under topics: (I) Initial Reactions & The Divorce Experience: (a) Divorce Initiation, (b) Divorce as a Novel Concept, (c) Divorce and Surprise, (d) Divorce and Anger. (II) Blame & The Divorce Experience: (a) Blaming One's Self for Causing the Divorce, (b) Blaming Others, (c) Blaming Immaturity. (III) Helplessness & The Divorce Experience: (a) War as a Metaphor for Divorce, (b) Ex-wife's Hostile Behavior, (c) Encountering the Legal System. (IV) Social Supports & The Divorce Experience: (a) Family and Friends, (b) Therapeutic Supports, (c) Legal Supports. (V) Adaptation & The Divorce Experience: (a) Positive and Negative Adaptation, (b) Positive Adaptation Only, (c) Negative Adaptation Only. Following the presentation of the results (see Findings), a chapter entitled, Discussions, examined the data as they related to the current literature on the topic of men and divorce. Comparisons between qualitative and quantitative research methodologies were explored. A significant discovery was the dearth of qualitative research studies on the topic of men and divorce. Questions regarding quantitative methodology, and gender-specific scales and measures were addressed. The concept of divorce as a painful rite of passage for men was commented upon and implications for the field of couples and male psychotherapy were noted. "You can waste vast amounts of money by hiring the wrong lawyer while engaging in a high conflict divorce. Newman shows people the playbook and provides real tactics for breaking up in a more humane fashion." —Alec Baldwin, actor, producer, New York Times bestselling author The definitive guide to navigating divorce in today's world from one of America's top matrimonial lawyers. Marriage as we know it in America has changed—and so, too, has divorce. Women are outearning men. Fathers are winning custody battles. Same-sex marriage is law. In this remarkably insightful and clear guide, elite New York City divorce attorney Jacqueline Newman shares her secrets from over two decades in the trenches. This book will help you: -Decide whether you are actually ready to get a divorce -Protect your finances and understand division of assets -Find the right lawyer for your situation -Win the child custody schedule you want -Heal and stay sane in the midst of a disorienting time Over the course of her career, Newman has implemented her strategies and coached her clients round the clock on how to navigate every aspect of their divorces. Now, in this landmark book, she offers the same tools and tactics to you. Newman also shines a light on the divorce industry where specialists of the trade financially benefit from drawn-out, high conflict cases. "Divorce," she says, "can be simple, even if it is not amicable." Filled with hard-earned wisdom and a touch of humor, The New Rules of Divorce is an essential read for anyone looking to emerge from their breakup stronger, happier, and secure. Witnessing a woman go through divorce is like watching a tornado tear up a trailer park. Not only is someone losing their home and life as they know it, but for most women, it seems to go down with some extra drama thrown in the mix. This is where the advice of authors, Holiday Miller and Valerie Shepherd, two experts in all things divorce, comes in handy. Their unique friendship began after they had both married and divorced the same man! The Ex

Wives' Guide to Divorce was born from this friendship with the goal to ease women's fears, save them money, and give them a road map of what lies ahead. It will motivate women to get their head out of the sand and build their future dream sand castle by themselves, sans Prince Charming. Divorce is painful, heartbreaking, and pretty miserable for everyone involved. While men tend to champion the process, most women collapse and become emotionally distracted. Miller and Shepherd's experience is while the husband is gathering ammunition with his high paid attorney; the wife is frantic and disorganized—most likely spending her energy on the phone with her best friend or sister, instead of preparing herself for the battle ahead. This helpful guide teaches women how to manage the "business of divorce" in a focused, realistic, and organized manner. Miller and Shepherd aren't lawyers or psychologists, but they've experienced the process first hand and offer advice on how to build a support system and come out ahead. This book charges women to "put their big girl panties on" and maintain a tenacious spirit while preparing and organizing for their divorce. No matter what your age, divorce is one of life's greatest challenges. But while your parents, friends, and lawyers may be chock-full of advice, the truth is that young women who divorce today face a brand-new set of issues and possibilities far removed from those of women a generation before. If you're looking for a fresh, empowering, and thoroughly modern guide to starting this new chapter of your life, Not Your Mother's Divorce offers the ultimate roadmap—from wading through legal jargon to getting back into society—as told by your best girlfriends who've been there. Based on the experiences of more than thirty women who divorced in their twenties and thirties without children, Not Your Mother's Divorce offers camaraderie and practical counsel on: Breaking the news to family and friends Coping with sudden singledom—from living arrangements to changing your name Protecting yourself financially and dividing your assets Legalese 101—making the legal process work for you Reentering the dating scene How to handle encounters with your ex Warm and insightful, Not Your Mother's Divorce gives you the tools to find your way through this difficult time—and emerge a stronger, wiser, happier you. A step-by-step approach to making your marriage loving again. Divorce is a volatile subject. Most Bible teachers avoid talking about it. Yet it is a regular occurrence on earth. It has become so prevalent even among ministers. In this book, Dr Olowosoyo brings out God's opinion about divorce. For many, divorce is an inherently negative process. In Divorce: AKA The Most Illogical Ride of Your Life, author Jenni Goldman shares her firsthand experiences with her own divorce to help others deal with a process that at times seems almost incomprehensible. In this memoir, Goldman provides background about her and her former husband, how they met and fell in love, how they became parents, how the relationship began deteriorating, how the children were affected, and how the divorce process progressed. Honest and disclosing, Divorce: AKA The Most Illogical Ride of Your Life shares Goldman's thoughts and feelings as she dealt with a man she once loved and watched him turn on her, hurt her, and disregard their own children. Goldman shares her story

to show what one could expect when facing a divorce, and she communicates there is hope if you stay true to yourself. A personal testament, she shows you cannot only survive, but end up in a better place on the other end. Debbie Ford offers a fresh perspective on divorce, explaining how to turn ruin into a new opportunity for spiritual transformation. Why does divorce cause so much strain and long-term distress for children of all ages? Andrew Root, a recognized authority on youth ministry and a child of divorce himself, explains that divorce causes children to question their core identity. Since a child is the product of the union of a mother and father, when that union ends, he or she experiences a baffling sense of loss of self—a loss of his or her very sense of being. Root redirects efforts for assisting children of divorce to first address this fundamental experience. This unique book examines the impact of divorce not only from a theological and spiritual perspective but also from a young person's perspective. It will benefit those who have experienced divorce and those who minister to children of divorce. Create a Life You Love After Divorce #1 New Release in Divorce Offering a well-researched and tested method for recovering from the heartbreak of divorce, Dr. Elizabeth Cohen brings her highly successful Afterglow process to you in *Light on the Other Side of Divorce*. Don't just move on after you break up—thrive. You deserve love and affection. Dr. Elizabeth Cohen has been there—she really, truly knows how it feels to have your life derailed by divorce. As a therapist who has worked with hundreds of divorcing clients, she has developed the Afterglow method, which teaches you how to rediscover a life of growth, change, and abundance post-breakup. This program has been informed by her own healing journey and is based primarily on research-supported strategies, resulting in a balanced method that takes advantage of modern psychology and science, while also remembering what it feels like to dive into the emotional divorce-recovery journey. Set yourself up for success. It's true—letting go and moving forward can be hard. But if you read this book and try the exercises, you will see change. You will feel different. You will feel a positive shift in your life and your attitude. People in your life will comment that you look different. You will get more sleep, feel at ease, and have more hope. In *Light on the Other Side of Divorce*, you will learn about:

- Tools for handling self-defeating thoughts and stopping self-doubt
- State-of-the-art therapeutic approaches to managing fear, overwhelm, and deprivation
- Active strategies to make lasting positive changes and see results

Readers of divorce books for women and men like *This Is Me Letting You Go* by Heidi Priebe, *Conscious Uncoupling* by Katherine Woodward Thomas, and *Rebuilding* by Bruce Fisher and Robert Alberti will find joy after heartbreak with *Light on the Other Side of Divorce*. Nationally recognized expert Robert Emery applies his twenty-five years of experience as a researcher, therapist, and mediator to offer parents a new road map to divorce. Dr. Emery shows how our powerful emotions and the way we handle them shape how we divorce—and whether our children suffer or thrive in the long run. His message is hopeful, yet realistic—divorce is invariably painful, but parents can help promote their children's resilience. With compassion

and authority, Dr. Emery explains:

- Why it is so hard to really make divorce work
- How anger and fighting can keep people from really separating
- Why legal matters should be one of the last tasks
- Why parental love—and limit setting—can be the best “therapy” for kids
- How to talk to children, create workable parenting schedules, and more

The *New Creative Divorce* not only offers a spirited defence of divorce as being the best solution for specific problem marriages, but it also shows readers how they can make the experience as positive and creative as possible. If you're in a troubled marriage, divorce might seem like a reasonable option. But in most cases, it's a calamity. Shows like Bravo's *Girlfriends' Guide to Divorce* and HBO's *Divorce* normalize the dissolution of marriage, making couples feel that divorce can be a happy new beginning. Celebrities suggest a norm that divorce is not only acceptable but advisable. Gwyneth Paltrow's "conscious uncoupling" makes divorce seem trendy and enlightened. Today, couples are even throwing "divorce parties"—complete with invitations and caterers! Enough, says psychologist Diane Medved. If you're hurtling down the road to divorce, the first thing to do is to put on the brakes. Don't let your spouse, your friends, or the "divorce industry" rush you into ending your marriage. Take a deep breath and read this book. Drawing on three decades of clinical and personal experience, Dr. Medved will show why you should save—and revitalize—your marriage. She expertly unmask the threats to marriage, including hookup apps that promise non-committal sex, and legions of professionals who are financially invested in your divorce. She punctures one-by-one the arguments in favor of divorce, proving that "the good divorce" is a myth. *Don't Divorce* is the antidote to a pro-divorce culture, the tool that will empower you to revive a dying marriage and recover the happiness that seems out of reach. Samantha J. Tishner, a child from a divorced family, made a commitment to herself long ago that she would build a happily-ever-after together with the right love. But when her own journey unexpectedly led her to divorce as well, Tishner felt lost, alone, and in need of someone to tell her exactly what she needed to return to a good place in life. Truth be known, she had no idea what she needed to heal—until she began looking within herself. In a candid guide, Tishner shares personal life experiences and time-tested wisdom to provide a clear roadmap for healing after the end of a significant relationship. Tishner's faith-filled strategies for rebuilding life after heartache include journaling for peace, finding our true selves in the midst of pain and rebirth, practicing self-love, viewing other humans with compassion, becoming more self-aware, surrendering to love, helping others, and opening our hearts to everything. *Heal First. Love Second.* shares stories and wisdom that empower newly single people to heal their hearts and souls, and ultimately realize a better life after divorce. *A Divorcee's Empirical (and Slightly Irreverent) "What's Next" Guide to Life after Marriage* Just about everything about divorce sucks. It sucks away your time, your money, and occasionally your will to live. We know. We've been there. We've both been divorced and are now remarried . . . to each other. *F*ck Divorce* is not a book about divorcing (which stinks); it is a book about putting the pieces back

together afterward (which doesn't have to). Using the latest scientific research, a bit of tough love, and a highly questionable sense of humor, psychologists and relationship scientists Erica Slotter, PhD, and Patrick Markey, PhD, will teach you how to navigate your post-divorce relationships with yourself, kids, and even your slug-breath ex-spouse. They'll hold your hand as you navigate the complicated, exciting, and sometimes terrifying world of dating and sex as a born-again singleton and be by your side as you (hopefully) find your way to new love. Learn: *Self-Care in the Post-Divorce Haze* How to *Rediscover the Newly Single You* The Importance of Being Nice(ish) to Your Ex How to Help Your Kids Through the Sh*tstorm How to Survive the Awkwardness of First Dates . . . *Again* Navigating Your Newfound Sexy Time *Divorce-Proofing: Keeping Marriage 2.0, or 3.0, Together* So, welcome to the world of being newly unwed. It's good, bad, and ridiculous, and sometimes your blind date smells like soup. Pull up a chair, pour yourself a drink (or three), and let's do this sh*t. Mediation, as a procedure to assist couples in dealing with the problems incident to their separation and divorce, is still relatively new in the United States. For the would-be practitioner, that poses certain problems. Divorce mediation cannot provide a long history of generally accepted procedures. Nor is there even a body of information to which would-be practitioners can turn for instruction or guidance. And, of course, there are no established schools that can train or prepare a practitioner to do this work. To make matters worse, the situation is likely to remain in this state for some time to come. Given this fact, it was felt that it would be useful for practitioners (even for those already engaged in divorce mediation) to have a handbook which would trace a typical mediation from its inception to its conclusion and which would provide them with the substantive information they need to know in order to do divorce mediation. It is hoped that this handbook will fill this need. Having said that, however, it must be acknowledged that the purpose of this book is very much beyond that. Until now, divorce mediation in the United States has been shaped principally by such books as O. J. Coogler's *Structured Mediation in Divorce Settlements: A Handbook for Marital Mediators*, 1 and John Haynes' *Divorce Mediation: 2 A Practical Guide for Therapists and Counselors*. Based upon interviews with judges, lawyers, and divorced persons in California, and data collected from that state's court dockets, this volume presents the first systematic examination of the social and economic effects of divorce law reform. Sociologist Weitzman concludes that while the abolition of grounds, fault, and consent has eliminated much of the acrimony previously associated with divorce proceedings, this, together with the institution of gender-neutral standards for property awards and child support, has resulted in increased economic hardship and social dislocation for divorced women and dependent children. Weitzman does not intend to extrapolate her data, conclusions, and recommendations to the whole country; however, it is reasonable to believe that they have national implications.
