**Once a Cop** Apr 04 2021 A "former cop sets the record straight in this ... memoir about his youth selling crack in the '80s with one of NYC's toughest gangs and later rise through the ranks of the NYPD to become a community leader"--

*I Love a Cop* Feb 20 2020 Will police work change the person you love? Are police marriages destined to fail? What are the chances of your loved one being killed in the line of duty? Separating fact from myth, Dr. Ellen Kirschman answers these and other critical questions in the first comprehensive self-help book created specifically for today's police families. In information-filled chapters, readers will go behind the scenes with other police families as they discuss the benefits and pitfalls of police work; learn how to manage the effects of organizational stress and the pressures of unpredictable schedules, long hours and loneliness; gain awareness of the emotional, physical, and behavioral warning signs which can lead to such extreme situations as posttraumatic stress, alcoholism, suicide and domestic violence; find out where families can go for help and counseling; and get an inside look at cop couples and the special challenges facing women, minorities, and gays and lesbians on the force.

**New York's Finest** Mar 03 2021 The gritty, true blue story of two remarkable cops and an equally extraordinary nurse who provided the spirit and smarts that transformed Fear City into the safest big city in America. *NEW YORK'S FINEST* is the story of a city's transformation through the tireless efforts of Detective Steven McDonald, Nurse Justiniano, Jack Maple, and a host of hero cops—including the great niece of Jazz Age great Josephine Baker—the finest of *The Finest*. The son and grandson of cops, Officer McDonald was shot and paralyzed from the neck down while on patrol in 1986. The doctors said that if he did survive, he would be better off dead. It was then he came under the care of one Nurse Nina Justiniano. Where the teenage gunman was produced by the worst of Harlem's social ills, she personified its many graces, rescuing Steven from despair and urging him to transcend hate and bitterness. McDonald was then promoted to detective at the urging of NYPD Deputy Commissioner Jack Maple, a postal worker's son who sported a bow tie, Homburg hat, and two-tone shoes as he implemented transformative crime-fighting strategies to deter violent subway robberies. Coming up in the force, Maple had been routinely mocked for imagining the impossible: that Times Square would one day be a destination for families and tourists. Now, resentments and tensions are mounting in the same neighborhoods that most benefited from the careful consideration of officers like McDonald and Maple. But as *NEW YORK'S FINEST* illustrates, their legacies, and those of people like Nurse Justiniano, may well rescue New York City from its present state of unrest and struggle in the wake of protests and the pandemic.

**The Force** Oct 30 2020 Instant New York Times Bestseller Best of 2017 - included on best-of lists by the New York Times, NPR, Barnes & Noble, Publisher's Weekly, LitHub, BookPage, Booklist, TheRealBookSpy.com, the Financial Times (UK) and the Daily Mail (UK) "The Force is mesmerizing, a triumph. Think *The Godfather*, only with cops. It's that

good." — Stephen King The acclaimed, award-winning, bestselling author of *The Cartel*—voted one of the Best Books of the Year by more than sixty publications, including the *New York Times*—returns with a cinematic epic as explosive, powerful, and unforgettable as *Mystic River* and *The Wire*. Our ends know our beginnings, but the reverse isn't true . . . All Denny Malone wants is to be a good cop. He is "the King of Manhattan North," a highly decorated NYPD detective sergeant and the real leader of "Da Force." Malone and his crew are the smartest, the toughest, the quickest, the bravest, and the baddest, an elite special unit given unrestricted authority to wage war on gangs, drugs and guns. Every day and every night for the eighteen years he's spent on the Job, Malone has served on the front lines, witnessing the hurt, the dead, the victims, the perps. He's done whatever it takes to serve and protect in a city built by ambition and corruption, where no one is clean—including Malone himself. What only a few know is that Denny Malone is dirty: he and his partners have stolen millions of dollars in drugs and cash in the wake of the biggest heroin bust in the city's history. Now Malone is caught in a trap and being squeezed by the Feds, and he must walk the thin line between betraying his brothers and partners, the Job, his family, and the woman he loves, trying to survive, body and soul, while the city teeters on the brink of a racial conflagration that could destroy them all. Based on years of research inside the NYPD, this is the great cop novel of our time and a book only Don Winslow could write: a haunting and heartbreaking story of greed and violence, inequality and race, crime and injustice, retribution and redemption that reveals the seemingly insurmountable tensions between the police and the diverse citizens they serve. A searing portrait of a city and a courageous, heroic, and deeply flawed man who stands at the edge of its abyss, *The Force* is a masterpiece of urban living full of shocking and surprising twists, leavened by flashes of dark humor, a morally complex and utterly riveting dissection of modern American society and the controversial issues confronting and dividing us today.

**My Journey from Beach Cop to Police Chief** Aug 28 2020 Consists of short stories, based on a collection of events and true life experiences which portray a professional career in law enforcement from street cop to police chief over a period of 38 years from May 1950 to October 1987. Certain stories reflect the ever on-going opposition from the union, which, along with the political area, created turmoil for approximately 22 years. Without question the merit system became the most controversial subject for approximately 22 years from the first time it had been proposed by a chief of police. I was fortunate to be assigned to Ocean Beach Park, in the period of the 50's and 60's, and I might add I had a "love affair" with the beach that lasted 19 wonderful years. Not only did I have a love affair with the beach itself, but I fell in love with a circus performer. Needless to say, we fell in love, married, and had a son. But it wasn't until 25 years later, I found my son, when I became police chief and the circus came to town. Certain stories are serious, unusual, some are humorous, while other stories will reflect the different types of incidents that took place in this city of about 30,000 people.

**All American Boys** Jul 27 2020 A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this *New York Times* bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad's best friends—start to take

sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

*We Own This City* Jan 21 2020 NEW YORK TIMES EDITORS' CHOICE • The astonishing true story of "one of the most startling police corruption scandals in a generation" (The New York Times), from the Pulitzer Prize-nominated reporter who exposed a gang of criminal cops and their yearslong plunder of an American city NOW AN HBO SERIES FROM THE WIRE CREATOR DAVID SIMON AND GEORGE PELECANOS "A work of journalism that not only chronicles the rise and fall of a corrupt police unit but can stand as the inevitable coda to the half-century of disaster that is the American drug war."—David Simon Baltimore, 2015. Riots are erupting across the city as citizens demand justice for Freddie Gray, a twenty-five-year-old Black man who has died under suspicious circumstances while in police custody. Drug and violent crime are surging, and Baltimore will reach its highest murder count in more than two decades: 342 homicides in a single year, in a city of just 600,000 people. Facing pressure from the mayor's office—as well as a federal investigation of the department over Gray's death—Baltimore police commanders turn to a rank-and-file hero, Sergeant Wayne Jenkins, and his elite plainclothes unit, the Gun Trace Task Force, to help get guns and drugs off the street. But behind these new efforts, a criminal conspiracy of unprecedented scale was unfolding within the police department. Entrusted with fixing the city's drug and gun crisis, Jenkins chose to exploit it instead. With other members of the empowered Gun Trace Task Force, Jenkins stole from Baltimore's citizens—skimming from drug busts, pocketing thousands in cash found in private homes, and planting fake evidence to throw Internal Affairs off their scent. Their brazen crime spree would go unchecked for years. The results were countless wrongful convictions, the death of an innocent civilian, and the mysterious death of one cop who was shot in the head, killed just a day before he was scheduled to testify against the unit. In this urgent book, award-winning investigative journalist Justin Fenton distills hundreds of interviews, thousands of court documents, and countless hours of video footage to present the definitive account of the entire scandal. The result is an astounding, riveting feat of reportage about a rogue police unit, the city they held hostage, and the ongoing struggle between American law enforcement and the communities they are charged to serve.

*You Can't Make This Stuff Up* Nov 23 2022 The stories you've all been waiting for and then some...By far, when cops end up in conversations with people that know they're a cop, they will inevitably be asked one of two main questions: "What's the scariest situation you've ever been in?", and "What's the funniest or craziest thing you've ever seen?" A couple of years ago I had asked for cops to submit the stories you just can't make

up and we put out the first edition of those edited collection of stories. A few months ago, I asked for a fresh round and the latest stories in this revised and expanded version of the book do not disappoint. The book isn't meant to be perfect in grammar, punctuation or even super long. Not every story is something that people might find funny and that's ok. What it can be, however, is a quick read to lighten the mood and get a glimpse of what cops see and deal with regularly that we can all look back and laugh at and truly understand why Hollywood has nothing on real police work because you truly just can't make this stuff up. So, grab your favorite beverage and thumb through the book. Share your favorite stories with your friends and if you'd like to help keep content like I make continue to grow, tell others about the book and send them to my site to get it. Thank you everyone who supports me and all of my endeavors to humanize the badge and fight for the truth when it comes to how law enforcement is perceived out there. Your support means the world to me. -Mike the Cop

**One Tough Cop** Aug 20 2022 "This is the true story of the maverick cop who made the busts, the headlines, and the controversies. Now Bo Dietl tells what it's really like inside the raw and deadly world of a big-city-cop--and how one man became a legend from the station house to the streets"--Back cover.

*Stories of Faith and Courage from Cops on the Street* Dec 12 2021 Stories of Faith and Courage From Cops on the Street is a 365-day devotional book in the Battlefields and Blessings series. Stories - one for each day of the year- come from members of the law enforcement community who have sensed God's presence in some event relating to their work. The contributors represent every phase of law enforcement work and demonstrate that something happened relating in their particular stories that simply cannot be attributed to anything other than God's hand.

**The Year We Disappeared** Mar 23 2020 When Cylin Busby was nine years old, she was obsessed with Izod clothing, the Muppets, and a box turtle she kept in a shoebox. Then everything changed overnight. Her police officer father, John, was driving to his shift when someone leveled a shotgun at his window. The blasts that followed left John's jaw on the passenger seat of his car-literally. While clinging to life, he managed to write down the name of the only person he thought could have pulled the trigger. The suspect? A local ex-con with rumored mob connections. The motive? Officer Busby was scheduled to testify against the suspect's family in an upcoming trial. Overnight, the Busbys went from being the "family next door" to one under 24-hour armed guard, with police escorts to school, and no contact with friends. Worse, the shooter was still on the loose, and it seemed only a matter of time before he'd come after John-or someone else in the family-again. With few choices left to them, the Busby family went into hiding, severing all ties to the only life they had known.

*True Blue* Jun 18 2022 After September 11, 2001 Las Vegas Police Sergeant Randy Sutton began soliciting writing from law enforcement officers-his goal being to bridge the gap between the police and those they serve, with a book that offers a broad and thoughtful look at the many facets of police life. Hundreds of active and former officers responded from all over the United States: men and women from big cities and small towns, some who had written professionally, but most for the first time. Sutton culled the selections into five categories: The Beat, Line of Duty, War Stories, Officer Down, and Ground Zero. The result is True Blue, a collection of funny, charming, exciting, haunting stories about murder investigations, missing children, bungling burglars, car chases, lonely and desperate shut-ins, routine traffic stops, officers killed in the line of duty, and the life-changing events of September 11. Here, officers reveal their emotions-fear and pride, joy and disgust, shame and love-as they recount the defining moments of their careers. In these stories, the heart and soul behind the badge shines through in unexpected ways. True Blue will change the way we think about the deeply human realm of police service.

**Extreme Cop** Sep 28 2020 EXTREME COP: CHICAGO PD is the true story of JERRY ARDOLINO, the wildest, most violent cop in the history of the Chicago Police Department and that would mean: in the history of the world. Jerry Ardolino is the book's author and it is the first true, full-length on-going story about the Chicago Police written by an insider. It has never been done before. Jerry Ardolino was a star-carrying member of that horde of hard-edged cops; the largest and deadliest "gang" in Chicago or anyplace else. The gang in midnight-blue leather police jackets who had the tools and the talent that enabled them to become known throughout the world, as the most violent, corrupt, out-of-control and; toughest police force ever to stalk the streets. And Jerry was to

become known in that department from patrol levels, all the way to the High Command as being: "Extreme." There have been many Chicago cops who have committed violent acts. Some have wounded or killed criminals in questionable shootings. Some have been drug dealers and pimps and many were burglars. But, none of them ran even close to Jerry in all-around violent acts, dangerous car chases on a regular basis (some at 130 in heavy traffic), maniacal behavior during arrests, the torturing of criminals, the rule violations-which nobody had the nerve to commit-and unprecedented civil rights violations all on an almost daily basis. The others committed one or two big incidents; got punished, fired, wound up in prison or they behaved until retirement. Jerry chose not behave. He chose to "light all the fuses" and run through the "explosions" and then keep on going. His spree of violence and wired behavior; the enjoyment of engaging in fast outlaw acts almost every hour of every tour of duty lasted nearly five years. It had never happened before and could never happen again. Nowadays, just one day of doing some of the things he did or even one act would land a cop in jail. How did he do it and get away with it all? It was just something that was supposed to be. He was a force of nature with a thirst for danger and did whatever he felt like doing immediately, without ever looking back and in true Chicago Police style; always aggressively advancing. The language is very strong; his erotic and sexual encounters with hot, beautiful willing women are "meltdown-level"; his partners' street-sex encounters with female beauties are raw and real; and the violence is as graphic as it gets in print. However; this is not a "tell all" complaint book. On the contrary, EXTREME COP: CHICAGO PD glorifies the violent and corrupt ways of the Chicago Police but mainly, you experience "living" his ways of fast violence; fast driving; the heavy partying; the breaking open of constitutional law to suit each case and the breaking of criminals' skulls and body parts. Jerry wrote most of EXTREME COP: CHICAGO PD in 1999 and then completed it on through the millennium. There have been some small diary-type reports in the past and even though his project was kept as confidential as possible during the production stages, word got out in literary circles and a small recent work was attempted by others, but those contain nothing that one can't glean from the major newspapers and of course, don't contain Jerry Ardolino's story. But in any case, nobody has ever given you the real inside stories of the Chicago Police. He takes you inside the department. You get inside his mind and inside the minds of other violent and colorful cops he worked with; inside the violent acts, the bloody nights, the massive and lightning-fast destruction of property and people that only Chicago Police are capable of. You feel the wet heat of an erotic female cop's sexual acts; gain an insight into the alleged mob-connected hit man cops' ways; you're in on the heavy inside deals within the department and Jerry's five-year wild ride-everything. You'll know what it's like t

**Fish Bites Cop! Stories To Bash Authorities** May 05 2021 Fish Bites Cop! Stories To Bash Authorities is a whole trunk of surprises. A collection of horror, dark crime, pulp, and slipstream lampoonery that gleefully rips on police officers, security guards, organized religion, firefighters, police officers, bounty hunters, dyslexic paramedics with dog complexes, police officers, military, middle management, and even more police officers. Bad Cop movies are usually just bad cop movies. It's time they paid for it. EDITORIAL REVIEWS "Bizarre and hysterically twisted, these stories crisscross between the satirical and the pulpy at a maddening pace. I endorse this crazy-ass book! Wild ride. David James Keaton is a writer to keep an eye on." --Frank Bill, author of Donnybrook and Crimes in Southern Indiana "This is exquisite writing and fast-paced storytelling--the peanut butter and chocolate of fiction. Bet you can't read just one." --Stephen Graham Jones, author of The Last Final Girl and Growing Up Dead in Texas "If you're a cop, have ever known a cop, or been arrested by one, or even if you're just one of those people who are scared of cops, FISH BITES COP! is the collection you must read. Also if you like watching, catching, or eating fish. Or cops." --Scott Phillips, author of The Adjustment and The Ice Harvest "Don't expect any nice-making from David James Keaton. FISH BITES COP! is full of people acting badly, and it's as fun to watch them self-destruct as it is to watch a ten-car pileup on the interstate. Trust me: you'll enjoy your couple of hours rubbernecking." --Kyle Minor, author of In the Devil's Territory "David James Keaton by his own confession has a problem with authority. You might say he has a hard-On for cops, a hard-On of the nightstick variety he brandishes with abandon, gleefully bashing cliches with his own savvy brand of literary mayhem. Keaton goes Dirty Harry on the cop shop of conventional crime fiction. Heads roll, donuts get gored. It's so good it should be illegal." --Randy Chandler, author of Dime Detective and Bad Juju "Keaton's at his manic best in this collection, populated by

prize winners and barn burners, each one coated in his special brand of pulp sauce. These are stories to read by the bonfire as the world burns. In the worlds Keaton conjures here, spinning with barely repressed anarchy, that's the general drift." --Court Merrigan, author of Moondog Over the Mekong "David James Keaton holds the lovechild of convention and expectations down to the hard, concrete floor, puts his hand over its mouth, and slits its throat. Each of the stories in this collection help sop up the blood, his hands wiped cleaned by the time the last story is wrought and reeking of his touch." --Michael Czyzniejewski, author of Chicago Stories "With a command of contemporary slang force-bred with imagery, Keaton is one of the strongest voices in American fiction today. The first story alone is one I will read forever." --Jason Stuart, author of Raise a Holler "Reading these stories feels like the guys in the garage at the St. Valentine's Day Massacre probably felt as the bullets struck them. They will rip you up, tear you apart, and when you're done, you'll be exhausted with emotion but know that you've been in the presence of greatness." --Les Edgerton, author of The Rapist "Quite simply, David James Keaton is a twisted genius, and you read his work at your own risk, risk of a neural or moral melt-down. Keaton's stories are as sickly exuberant and gargantuan as gothic dirigibles, tall tales of teleportation into urban myth and mystery, post-truth, anti-reality, they break every rule of regular fiction and good taste." --Chuck Kinder, author of Last Mountain Dancer "It's Technicolor Noir." --Charlie Trout, reporter for the Pittsburgh Pulp Exchange

**Stories of a Chicago Police Officer:** Nov 11 2021 Sex or lunch, what would you do, six days in a row? If you don't find the baby soon, will she freeze to death? It appears to be a single gunshot wound directly under the chin; should we assume suicide or possibly foul play? It appears the grandfather had a heart attack and fell through the glass storm window. Do we remove the body before the young grandkids show up? It's against rules but we can't allow the children's last memory of grandpa to be crumpled and bleeding. Is that a gun in his hand or is that a cell phone? It's too dark, but the call was a man with a gun! If you're right you're a hero. If you're wrong you go to the morgue. These decisions are made on a daily basis if you are a Chicago Police Officer. Hopefully you're right. If you're wrong not only do you suffer but your family does as well. No police officer wants to make a split second decision but at times that's all you have.

**Cop Stories** Jan 01 2021 Television dramas, reality shows, and police procedural mystery novels may try to replicate the truth of a cops life, but sometimes the real story is stranger and more entertaining. In more than thirty engaging anecdotes, Cop Stories gives a no-holds-barred inside look at the experiences of Dick Ellwood, police officer for the Baltimore Police Department from 1965 through his retirement in 1990. He vividly depicts the teeming street life of one of the most dangerous cities in the nation. From walking a beat in his boyhood neighborhood and his adrenaline-fueled work in vice to his ascent to detective and eventually supervisor in the homicide unit, Ellwood doesn't miss a chance to get down and dirty with the gritty details you won't find on primetime TV. In addition to investigating murders, arresting prostitutes, and fighting corruption, Ellwood had his lighter moments. He arrested his childhood hero, Mickey Mantle, for public drunkenness, and was

propositioned in a gay night club. He also participated in history by working the race riots of 1968 and learned more than he wanted to know about arson. Spanning the turbulent times of the sixties through the decadence of the eighties, *Cop Stories* reveals what it truly means to protect, serve, and live the life of a tough, dedicated cop.

Vice Mar 15 2022 9 square miles. 10,000 criminals. 130 cops. A riveting memoir by Baker, California's most-decorated police officer Compton: the most violent and crime-ridden city in America. What had been a semi-rural suburb of Los Angeles in the 1950s became a battleground for the Black Panthers and Malcolm X Foundation, the home of the Crips and Bloods and the first Hispanic gangs, and the cradle of gangster rap. At the center of it, trying to maintain order was the Compton Police Department, never more than 130-strong, and facing an army of criminals that numbered over 10,000. At any given time, fully one-tenth of Compton's population was in prison, yet this tidal wave of crime was held back by the thinnest line of the law—the Compton Police. John R. Baker was raised in Compton, eventually becoming the city's most decorated officer involved in some of its most notorious, horrifying and scandalous criminal cases. Baker's account of Compton from 1950 to 2001 is one of the most powerful and compelling cop memoirs ever written—an intensely human account of sacrifice and public service, and the price the men and women of the Compton Police Department paid to preserve their city.

Murder Behind the Badge Jul 19 2022 As a crime victim myself who went on to become a felony prosecutor, police have been a constant in my life for many, many years. They are some of the most honorable people I have ever known. This book exposes the dichotomy between police who fight crime every day vs. those who have become criminals themselves... a real mind-twister! - NANCY GRACE Former prosecutor, host of HLN Prime Time's Nancy Grace and author of the New York Times best seller *Objection! - How High-Priced Defense Attorneys, Celebrity Defendants, and a 24/7 Media Have Hijacked Our Criminal Justice System* Most men and women who aspire to be police officers begin their careers with a noble dream of community service, upholding the law, and helping those in need. Yet over time the rigors and emotional strain of dealing with society's worst element wear on even the most idealistic officers like a sheet of sandpaper, until what used to be a compassionate human being is slowly rubbed away. A few become corrupted and slip into criminal behavior, directly contradicting their oath to guard the public. Even worse, there are some who hide behind their badges to commit the most heinous crimes imaginable. In a shocking true-crime narrative that reads like a thriller, former police officer, former detective, and mystery writer Stacy Dittrich tells eighteen stories about cops who kill. From the brutal to the bizarre, the senseless to the extreme, these men and women abused their power, took human life, and are now (except for one) paying the consequences. Some killed for love, others for money, and still others because of seemingly trivial personality conflicts. Dittrich profiles, among others: · New Orleans cop Antoinette Frank, who brutally murdered three innocent people, including a fellow officer · Canton, Ohio police officer Bobby Cutts Jr., who murdered his former girlfriend when she was nine-months pregnant · California highway patrolman Craig Peyer, who pulled over San Diego State college student Cara Knott over a frivolous traffic violation, then murdered her · Columbia, Missouri officer Steven Rios, who slit the throat of his gay lover, after he threatened to tell everyone of their relationship. As a veteran police officer with seventeen years of experience, Dittrich is careful to emphasize that the vast majority of law enforcement officers dutifully uphold their oath to protect the public trust. The fascinating stories she tells are examples of the few whose character flaws turned them into the very criminals they themselves at one time pursued. Stacy Dittrich (Mansfield, OH) is an award-winning veteran law enforcement officer, author, media consultant, and former detective specializing in sex crimes. In 2002, she received the Victims of Crime Award from former Ohio Attorney General Jim Petro. She is the author of the CeeCee Gallagher thriller series about a female detective. She has been featured on HLN's Nancy Grace show, Fox's *Geraldo at Large*, and other programs.

True Police Stories Sep 09 2021 Inside The REAL Stories Of The Scary, Unexplained, And Weird... Claim Your FREE Bonuses After the Conclusion! Between robberies, reports of lost people and pets, bar fights, domestic fights, car accidents, and anything else you can imagine, police officers have an incredibly difficult job. They must be there to take care of anything that goes wrong, offer support and help to all the people involved, and put themselves in harm's way more often than not. Many people take this for granted. In fact, most people don't give the police the respect they deserve. They are disrespectful and rude, and they will refuse to pay the tickets they have received or appear in court when they are told to. These people act as though the police are out to get them, when the police are, in fact, just doing their jobs. The life of a police officer might be rewarding, but there really is no way to tell for sure how much you will have to deal with. In this book, we are going to look at some of these tales of valor. Some of the horrific and unexplained things police officers have seen with their own eyes, and some of the things they have had to experience for themselves. Facing an armed robber in a shoot out is one of the most terrifying things anyone could be a part of, but perhaps even that pales in comparison to facing a paranormal spirit that could strike at any time. Read through these eyewitness accounts of what members of the police force have had to deal with, and perhaps gain a better understanding - and appreciation of what they are doing for you. Raw Deal May 25 2020 "One of the most twisted tales you will ever read . . . a story of cannibal fetishes, a terrified wife, lying FBI agents, a false conviction."—Patrick Quinlan, Los Angeles Times bestselling author \*Optioned in February 2019 for a motion picture\* Raw Deal is the untold story of former New York City police officer Gil Valle, who in 2012 became known throughout the world as "The Cannibal Cop." It is part the controversial saga of a man who was imprisoned for "thought crimes," and a look into a world of dark sexuality and violence that most readers don't know exists, except maybe in their nightmares. After Valle's arrest, media coverage exploded in a frenzy of lurid tabloid headlines and stories about the cop charged with planning to kidnap, torture, rape . . . and eat . . . women, including his own wife. But here's the fascinating part; there was no such plan in reality. Valle faced life in prison for his charges and served 21 months for nothing more than having online chats about his fantasies. He was finally exonerated of all charges. Raw Deal raises the question of when does thought become a crime? A question that goes beyond his perverse sexuality to answers society must deal with in order to meet the challenge of terrorism. It will challenge the reader's beliefs about free speech, the right to privacy, and government's role in watching over us. WARNING: This book contains graphic fantasy material of a sexual and violent nature. It is intended for Mature Audiences. "A big part of what makes this book fascinating is seeing the contrast between Valle's extreme interests and his normal life."—Cultured Vultures

**Prince of the City** Oct 10 2021 In the early 1970's, the Federal Government undertook to investigate corruption penetrating the entire criminal justice system in New York, particularly the Special Investigating Unit (SIU) of the narcotics division of the New York Police Department. Young and enthusiastic detective Robert Leuci was chosen by federal prosecutors Rudolph Guliani, Maurice Nadjari, and Tom Puccio to probe this world of corruption as an undercover agent. Leuci had enjoyed a swift rise from patrolman to the rank of detective. He knew Frank Serpico and while he was sympathetic with Serpico he felt the corruption filtered down. The police were at the bottom of this food chain. This is the true story. Leuci helped put together corruption cases against lawyers, bail bondsmen, mob figures and some of his own. Leuci seemed perfectly suited to his special job. His cover was deep with only the Police Commissioner aware of his dual role. As team leader within the SIU, Leuci had access to all of the players in criminal justice from judges down. He walked a tightrope that made his life a nightmare. His life was in jeopardy from both sides.

**American Heroes Coming Out from Behind the Badge** Dec 20 2019 Imagine working in a job you always dreamed of having and working in a career that excites and fulfills you in every way. Consider what it would be like to be highly successful in your work, admired by your peers, but always fearful that if anyone you work with discovered your secret, it

could all be over. This is what it is like to be a closeted gay, lesbian, bisexual, or transgender member of law enforcement. And in the fire service and emergency medical services profession, the condition is even worse because of the common housing situation required while working a 24 to 48 hour shift. It's true that society as a whole has become more accepting of gay and lesbian people, but homophobia continues to be pervasive in much of the public safety arena. Most states still do not have any employment protection against harassment and discrimination based on sexual orientation. Imagine being fired from the job you love because of who you are. *American Heroes Coming Out From Behind The Badge* is Greg Miraglia's second book intended to show examples of how police officers, firefighters, and EMS professionals have been able to come out and be successful on the job. The stories come from across the country and tell of a very personal and courageous journey. They are intended to both inspire and educate. The book contains a section on how to come out as well as a section with resources and associations supporting LGBT public safety professionals. This book is ideal for anyone who is struggling to come out as well as for straight allies who want to learn more about how to support their LGBT colleagues.

**The Funniest Cop Stories Ever** Jan 25 2023 "Nothing quite prepares you for what you will see on the street once you become a cop. It is one of the most dangerous jobs a person can do but also the most fun as well."

—Scott Baker Cops are the people who see and hear it all. They work at one of the world's most dangerous jobs, but it's also one of the most entertaining. When their lives are at risk — and even when they aren't — cops encounter constant weirdness and stupidity in human behavior. *The Funniest Cop Stories Ever* collects the strangest, most amusing stories about stupid crooks, bungled crimes and station-house banter. A true look at what life is like behind the badge, the tales in *The Funniest Cop Stories Ever* were collected by real-life ex-New York City policeman Scott Baker and coauthor Tom Philbin. Anecdotes are told by the real-life cops who experienced them and include: A foot chase after a dwarf who karate-kicked his girlfriend's door and assaulted her while wearing a tuxedo and carrying a violin case. A beggar who ended people's pay phone calls so he could demand their extra spare change. A narcotics bust on a guy who claimed the crack cocaine — and his pants — didn't belong to him.

*A Cop's Life* May 17 2022 After September 11, 2001 Las Vegas Police Sergeant Randy Sutton began soliciting writing from law enforcement officers--his goal being to bridge the gap between the police and those they serve, with a book that offers a broad and thoughtful look at the many facets of police life. Hundreds of active and former officers responded from all over the United States: men and women from big cities and small towns, some who had written professionally, but most for the first time. Sutton culled the selections into five categories: The Beat, Line of Duty, War Stories, Officer Down, and Ground Zero. The result is *True Blue*, a collection of funny, charming, exciting, haunting stories about murder investigations, missing children, bungling burglars, car chases, lonely and desperate shut-ins, routine traffic stops, officers killed in the line of duty, and the life-changing events of September 11. Here, officers reveal their emotions--fear and pride, joy and disgust, shame and love--as they recount the defining moments of their careers. In these stories, the heart and soul behind the badge shines through in unexpected ways. *True Blue* will change the way we think about the deeply human realm of police service.

**When Did I Start Looking Like a Cop?** Jan 13 2022 A Brooklyn native, Joseph Belcastro joined the New York City Police Department in July, 1983. He spent four years on uniform patrol, then another four years in the precincts plainclothes Anti-Crime Unit, before being transferred to the NYPD's infamous Street Crime Unit on Randalls Island. In his tell-all memoir, Joe describes his earliest encounters as a rookie cop in uniform, how he developed his unique crime-fighting strategies, and the partners he had along the way. Joe's uncanny ability to follow his gut instincts, along with his determination and perseverance, led him to personally make over a thousand arrests, and to assist his partners in at least a thousand more. Ride along with Joe on his vehicle pursuits, sit in the back seat of his car stops, and in the process share the triumphs and disappointments in the life of a street cop. It's a ride you won't want to miss!

**Reflections from the Pit** Apr 23 2020 Bad things happen in "the Pit," a notorious crime-infested ghetto in downtown Miami. Michael Berish's experiences as a Miami policeman for twenty-two years (thirteen of which were in the REAL Miami Vice) serve as fuel for these exciting, intense stories about life as a cop in a tough part of a big city. Not just another collection of rehashed police stories with shootouts, car chases, and damsels in distress, *Reflections from the Pit*, contains individual, quirky, off-center characters. The stories focus on basic character flaws while dealing with social issues of the day: racism, hangings from police cruisers, sexism, affirmative action, prejudice, drug-dealing cops and corruption, homelessness, segregation, and police brutality. Berish uses his intimate knowledge of "the Pit" to bring these tales alive. This book pulls no punches; it shows you the dark side of police work: the good, the bad and the ugly (warts and all), both the humor and the tragedy. These reflections, covering more than one hundred years of history, give one pause for thought and a peek into the human swamp of life in "the Pit." **The Job** Apr 16 2022 "HOW YA DOIN'?" With these four syllables, delivered in an unmistakably authentic New York accent, Steve Osborne has riveted thousands of people at the legendary storytelling venue The Moth (and many tens of thousands more via YouTube) with his hilarious, profane, and touching tales from his twenty years as an NYPD street cop. Steve Osborne is the real deal, people: the tough, streetwise New York cop of your dreams, one with a big, big heart. Kojak? NYPD Blue? Law & Order? Fuggedaboutem! *The Job* blows them out of the water. Steve Osborne has seen a thing or two in his years in the NYPD—some harmless, some definitely not. In "Stakeout," Steve and his partner mistake a Manhattan dentist for an armed robbery suspect, and reduce the man to a puddle of snot and tears when questioning him. In "Mug Shot," the mother of a suspected criminal makes a strange request and provides a sobering reminder of the humanity at stake in his profession. And in "Home," the image of Steve's family provides the adrenaline he needs to fight for his life when assaulted by two armed and violent crackheads. From stories about his days as a rookie cop to the time spent patrolling in the Anti-Crime Unit—and his visceral, harrowing recollections of working during the weeks after 9/11—*The Job: True Tales from the Life of a New York City Cop* captures the humanity, the absurdity, and the dark humor of police work, as well as the bravery of those who do it. These stories will speak to those nostalgic for the New York City of the 1980s and '90s, a bygone era when the city was a crazier, more dangerous (and possibly more interesting) place.

**You Can't Make This Stuff Up** Sep 21 2022 One of the most popular questions cops get asked is "What's the funniest thing that's ever happened to you on the job?" Well, we set out to gather a few funny stories from across North America and compiled them into this eBook with some stories you will want to read again and again to laugh at and share with your friends. So many times in the career of law enforcement officers, you end up saying "You just can't make this stuff up!" So, here are some insights as to the sorts of things that we have laid eyes on or experienced that we hope you'll enjoy! Please be aware that the stories in this book are REAL and some involve recounting nudity or other PG-16+ situations that you may want to consider if you find such real situations (that cops see and have to learn to laugh at) offensive.

**Extreme Cop: Chicago PD** Feb 02 2021 EXTREME COP CHICAGO:PD has been QUOTED and SHOWN in the May 2007 PLAYBOY!! This is a RARE event for an Author's First Book!! From The Critics: "There have been many Chicago cops who have committed violent acts. Some have wounded or killed criminals in questionable shootings. Some have been drug dealers and pimps and many were burglars. But, none of them ran even close to me in all-around violent acts, dangerous car chases on a regular basis (some at 130 in heavy traffic), maniacal behavior during arrests, the torturing of criminals, the rule violations--which nobody had the balls to commit--and unprecedented civil rights violations all on an almost daily basis."---Editorial Section, May 2007 PLAYBOY "shamelessly literate book section"--- Cover and Quote Quiz for readers --LAS VEGAS WEEKLY "Not long ago, Chicago Mobsters made Vegas their home. Nowadays, that's pretty much over. There's a `new gun' in town, livin' in Las Vegas though; he's known as the Extreme Cop and he's sharing his story in this book and it is a pretty wild one."--DAVE HALL, News Anchor, FOX 5 T.V. NEWS LIVE IN LAS VEGAS ..."it is a lively, swashbuckling read...some shrewd observations about police policies and tactics. I found it a hard book to put down."---Jan Libourel, Editor, GUN WORLD MAGAZINE "It's an amazing story...it is a tough book...some very interesting observations...an interesting kind of take on the mob and the police department. You really capture that era of your years as a policeman effectively and chillingly...there are some tough scenes...this book has generated a lot of interest from magazines...it would make some movie...EXTREME COP: CHICAGO PD, The True Story of the Wildest, Most Violent Cop in the History of the Chicago Police. Jerry, it's a remarkable job! You're a good writer among other things..."---RICK KOGAN, CHICAGO TRIBUNE Book Critic and Host of CHICAGO TRIBUNE SUNDAY PAPERS Show, WGN RADIO "Mr. Extreme...Jerry Ardolino is one wild dude...articulate...intense. Extreme Cop blows The Shield [T. V. Series] apart."---LAS VEGAS WEEKLY, November 8, 2007 issue "I enjoyed the writing style. [EXTREME COP: CHICAGO PD] It really spoke to me. As editor of Police-Writers.com, I see all kinds of cop books. Guys write their memoirs; they read like police reports. Few of them get to a literary area where I think you've gone with this. A lot of cop books--I can read the scenerios and I can see it happening, but with yours the imagination is very peaked...some pretty erotic passages."---Lt. Raymond Foster, LAPD Ret.--Editor, Police Writers; Host: THE WATERING HOLE INTERNET RADIO SHOW EXTREME COP:CHICAGO PD is the true story of JERRY ARDOLINO, the wildest, most violent cop in the history of the Chicago Police Department and that would mean: in the history of the world. Jerry Ardolino is the book's author and it is the first true, full-length on-going story about the Chicago Police written by an insider. It has never been done before. Jerry Ardolino was a star-carrying member of that horde of hard-edged cops; the largest and deadliest "gang" in Chicago or anyplace else. The gang in midnight-blue leather police jackets who had the tools and the talent that enabled them to become known throughout the world, as the most violent, corrupt, out-of-control and; toughest police force ever to stalk the streets. And Jerry was to become known in that department from patrol levels, all the way to the High Command as being:"Extreme." There have been many Chicago cops who have committed violent acts. Some have wounded or killed criminals in questionable shootings. Some have been drug dealers and pimps and ma
